

# 2020 Grant Recipients

2020 was a unique year! We approved Community Impact, Job Opportunity for Youth and Community Kindness Grants from our Community Fund, as well as Mini Grants for Arts & Culture and Children & Youth in Recreation projects from our other established endowment funds. Due to COVID-19 some of the approved projects could not move forward, and the grant funds were reallocated in April to COVID-19 Community Response grants in partnerships with the Municipality of Trent Hills.

*Congratulations to the following 2020 Grant Recipients who were able to move forward with their project:*
