

COMMUNITY FOUNDATION OF CAMPBELLFORD/SEYMOUR AND NORTHUMBERLAND

The original Community Foundation in Northumberland County

Community Building

Community Impact

Community Leadership

Hello Martha,

As a Community Foundation, we identify community needs and opportunities to improve all citizens quality of life.

Young people are the future of our communities, and investing in our youth ensures that they succeed and thrive, and become self-sufficient, productive and the best versions of themselves.

Here are some ways we invested in our youth this year:

Peer Leadership Awards

One of the core missions of the Community Foundation is to develop community leadership, and we strive to lead by example.

We have been presenting Peer Leadership Awards to Trent Hills students in Grades 1 to 11 annually since 2008. We are extremely pleased each year to see how many students are recognized by their fellow students for their outstanding leadership qualities. It is quite impressive to read the nomination forms, and we commend the teachers and parents for providing such great direction and guidance in our local schools. It is really evident, in both the thoughtfulness of the nominations and in the recognized acts of the nominees.

The students are presented with a certificate with the reasons for their nomination printed on the back, in the student's own words. We hope this positive peer recognition and affirmation connects students current actions with future efforts.

Congratulations to all!

Hillcrest Public School

Twelve students received recognition this year.

Way to go!

Kent Public School

Eight students received recognition this year.

You did it!

St. Mary Catholic Elementary School

Thirteen students received
recognition this year.

Hats off to you!

Student Awards from our Scholarship Funds

Education is one of the four charitable purposes, and the community foundation is pleased to administer three memorial scholarship funds. Two of these funds were set up through memorial donations from friends and family, and another through a bequest in a Will.

Congratulations to the following graduating students:

Grace Ward-Levesque

The Joseph Rudolf Marth Memorial Scholarship Fund was created with memorial donations from friends and family, including an annual donation from a memorial golf tournament. Students are nominated by their peers and the \$500 award is presented to a student who has contributed to the overall “upbeat and positive atmosphere” of the Campbellford District High School community.

Grace is continuing her education at Trent University.

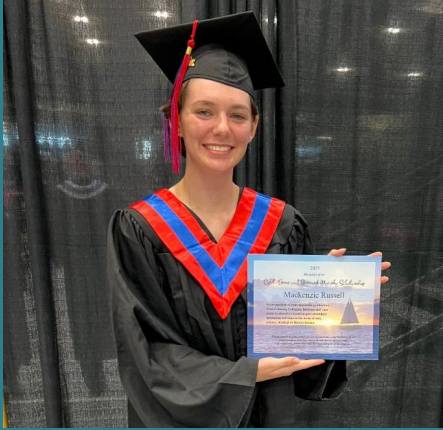

Emily Musson

The Harrold (Hank) Leith Willis Memorial Scholarship Fund was created with memorial donations from friends and family. This \$300 award is provided to a graduating student who has demonstrated community involvement inside and outside the school community and who is entering social services or education as a career.

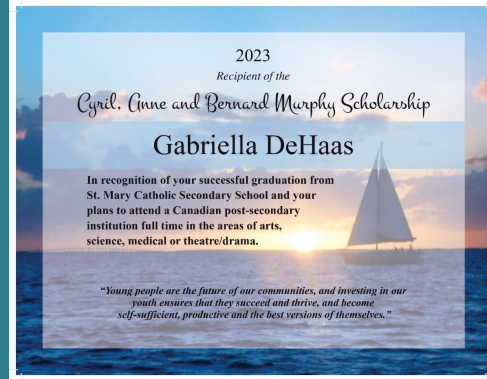

Emily is continuing her education at Trent University as well.

The Cyril, Anne and Bernard Murphy Scholarship Fund was created through a bequest by the late Bernard Murphy to honour his parents and provide annual scholarships to a graduating student from each of the Cobourg high schools who plans to attend a Canadian post-secondary education program in the area of arts, science, medical or theatre/drama.

Mackenzie Russell

Mackenzie attended Cobourg Collegiate Institute and received a \$2,550 award.

Gabriella DeHaas

Gabriella attended St. Mary's Catholic Secondary School and received a \$2,550 award.

Start Your Own Fund

Individuals and organizations may wish to focus their charitable efforts and establish a named endowment fund for the benefit of their community.

Funds can be established in your name, or in the name of your family, your organization, or anyone you wish to honour.

All grants distributed from your fund - today and in the future - are then awarded to charities in the name of your fund.

It's a great way to always be involved with, and remembered for your community investment.

SOME GREAT FUND OPTIONS - CHOOSE THE ONE THAT'S RIGHT FOR YOU

We have many options available for planned giving:

- Create a fund to address a community need such as youth, the arts, the aging.
- Create a fund to support a specific charity such as a museum, animal welfare organization, or your church.
- Create a scholarship fund to support youth education.
- A charity can set up a permanent fund to support their work in the long term.
- A community can set up a fund to support charitable causes in their local area.
- A business can create a fund, or support an existing fund as a vehicle for its community giving.
- A community service organization can create a fund to carry on its legacy if it finds that it can no longer continue operations.

To create a fund you can make a one time donation, build your fund over time, donate securities or a life insurance policy, donate real estate or designate a gift in your Will (as a percentage or a set amount).

You can also designate the community foundation as a beneficiary of a TFSA/RRSP/RRIF. Many of these options can provide a number of tax benefits to a donor's estate.

You create the fund. We take care of the rest!
