

## YOUR COMMUNITY MAKES YOU AND YOU MAKE YOUR COMMUNITY

Every community is the sum of the people who live within it.

A unique mix of personalities, cultures and interests.

Giving back is how the cycle of a vibrant and sustainable community continues.  
The causes we care about, the time we invest, the people we bring together - they all shape our communities now and for future generations.

We're just like you.

We're teachers, business executives, parents, retirees, students... you name it.

YOU can make an impact on YOUR community  
by volunteering!
