Public Announcement

The Board of Directors of the Campbellford/Seymour Community Foundation (founded in 2001) would like to announce that we have legally changed our name to **Community Foundation of Campbellford/Seymour and Northumberland.**
The Original Community Foundation in Northumberland County

The name change was initiated to secure our geographic boundaries and to assure our long-term potential as the **original** community foundation based in Northumberland County, Ontario.

A New Fund for Northumberland County

In order to support communities within Northumberland County, we have created the **Northumberland County Fund**. This fund will support charitable organizations that provide services for the residents of Northumberland County.

We are excited to announce that the Community Foundation of Campbellford/Seymour and Northumberland (CFCSN) is providing a matching grant of up to \$10,000.00 towards the establishment of the Northumberland County Fund. This means that all donations will be matched dollar for dollar, effectively doubling the donations. Once there are sufficient funds, we will accept applications from Northumberland County charities for projects that will benefit the residents of Northumberland County.

We are also pleased to announce that Stewart Richardson & Nancy Oliver, who are lifelong residents of Northumberland County, have provided a very generous leadership gift of \$5,000, demonstrating their support of the vision for the Northumberland County Fund.

How YOU Can Help

We invite individuals and businesses to consider a donation to the Northumberland County Fund. Your gift will make a lasting difference, working together with us to build a stronger, healthier and more vibrant community for everyone.

Donor's gifts are invested in perpetuity and the more the fund grows, the more grants we can provide! We will use our annual disbursement percentage to provide grants to Northumberland County charities. For example, using 5% as a grant funding amount:

- a \$25,000 fund could provide \$1,250 in grants annually
- a \$100,000 fund could provide \$5,000 in grants annually, and
- a \$1 million fund could provide \$50,000 in grants annually.

You can help build this fund by donating now, or by considering a bequest in your Will, confident that you are helping to enrich the quality of life of those living in Northumberland County.

Our Ongoing Support in Northumberland County

We believe in the power of collaboration and joint action to maximize our community's opportunities and respond to challenges. We initiate, participate in, and support partnerships that build community vitality, and that are based on shared vision and mutual responsibility.

As part of *Flourish ~ The Trent Hills Wellness Campaign* our community foundation created two Smart & Caring Community Funds in 2013:

The **Hastings Smart & Caring Community Fund** was created to provide an opportunity for individuals to invest in the continued vitality of the Hastings community.

The **Warkworth Smart & Caring Community Fund** was created to provide an opportunity for individuals to invest in the continued vitality of the Warkworth community.

In the past few years, various donors and partners in Northumberland County recognized the power of collaboration and trusted us to work with them to set up endowment funds:

- The **Northumberland Land Trust** created an agency fund which provides an annual disbursement to support their administrative operations.
- The **Cyril, Ann and Bernard Murphy Scholarship Fund** was created by a Cobourg family through a bequest in a Will to award two annual scholarships to graduating students from Cobourg's two high schools.
- The **Glover Family Fund** was created by a Canmore, Alberta family who have local roots in Warkworth and know the value of community foundations, to support social service groups in Trent Hills.
- The Northumberland Arts & Crafts Association, decided to cease operations in 2006 after 28 years of service and set up the **Northumberland Arts & Crafts - Jan and Evert Scheidt Fund** to support arts & culture in the community.
