

## About Us

The Fare Share Campbellford and District Food Bank was incorporated December 1990. It was to be short-term assistance for families having financial problems. There has been a constant need through the years.

## Mission Statement

Our Mission is to provide food for people in need, through the operation of a community based food bank, to deliver these services with a volunteer staff and to enable clients to retain their self-respect. This organization shall be carried on without purpose of gain for its members and any profits or other accretions to the organization shall be used in promoting its objects.

## Recent Success in Our Charitable Work

We provide food for over 120 families a month at this time and this is a constant and creative challenge, to procure this amount of food. We received financial assistance from the Campbellford/Seymour Community Foundation to purchase a refrigerator with top freezer. There are many fundraising efforts in our community from the schools, stores and service club. We have been very fortunate with all the support.
