More and more, donors are looking for ways to give effectively and meaningfully to their favourite causes and charities in their community.

The Campbellford/Seymour Community Foundation is here to help!

We are a charity for charities! We are dedicated to making charitable giving easy and effective. We created this resource to connect you to the outstanding charitable organizations who serve our community; showcasing the many opportunities to make a meaningful contribution. Each charity profile includes information on their programs, opportunities for support, and unique stories of transforming lives - helping donors ensure their gifts achieve what they want them to. We hope you will be inspired by their work, and responsive to their needs.

*Communities, like orchards, must be nurtured.
We have to plant seeds and wait for results.
We have to prune and shape and we naturally
want to share with others the fruits of our labours.
We want to help family and friends, but often
we also want to give part of what we have
for the benefit of people we have never met,
and those less fortunate than ourselves.*

Section 1

Planned Giving

Why Give?

There are many reasons. Yours are unique to you.

Some people view it as an opportunity to give back in return for a good life. To thank the community that helped them succeed.

Others give to ensure that the things that they care about are looked after. To support interests that have meaning to them, such as the arts, the environment, social programs or education.

Still others give to have an impact that lasts beyond their lifetime. A legacy that adds meaning to their lives, connects family generations, or memorializes a loved one.

Whatever the reason, this Planned Giving Resource will provide a convenient and impactful giving options that support your specific values, interests and intentions.

You can give now, or give later through your estate plan. It's all about making the most of your wishes while making our community a better place.

**Why Give?**

What Is Planned Giving?

This resource was created for several reasons. Along with promoting philanthropy at a local level, we also want to encourage community members to seek professional advice in regards to estate and tax planning. Charitable giving can generate significant tax benefits in both annual and estate tax situations - and many people are not aware of these opportunities. For more information on these opportunities see the Charitable Gift Matrix on **pages 73 – 76**.

Planned Giving Or Charitable Gift Planning Happens When:

- A donor is motivated to make a donation with the belief that the values of an institution align with their own values and that these values should be preserved for the future.
- A donor works with a professional advisor to create a complete and balanced approach to giving that addresses estate, tax and financial planning objectives.

Since planned giving opportunities differ slightly in regards to charities and foundations, and because tax laws change frequently, it is recommended that those considering donations through planned giving consult a professional advisor, such as a lawyer, accountant, or financial planner. See list of local Professional Advisors on **pages 77 – 82**.

Each charity listed in this resource accepts donations through planned giving, or you can choose to make a one-time gift.

Making A One Time Gift

You may prefer to make a one-time gift to a charity listed in this resource. There are a number of options for contributing:

1. Credit Card or Cash

Please contact your preferred charity directly using the contact information listed on their charity profile.

2. Cheque

Please mail a cheque directly to your preferred charity using the address listed on their charity profile.

3. Online

Most charities listed have a secure online option for donors. Please visit their website for more information.

The Many Ways to Give

Below are some simple giving options to consider. The Charitable Gift Matrix on **pages 73 – 76** outlines additional giving options, and provides detailed information on the benefits to the charitable organization, the benefits to the donor, some gift examples, and the type of donor the option is most appropriate for.

Wills

No one wants to talk about Wills, but increasingly, forward thinking people are realizing that once they have provided for their family and loved ones, it is important and appropriate to provide for the charities they have supported during their lives. A bequest in your Will lets you do just that.

Outright Gift

Gifts of cash, securities or properties can be donated to a local charity.

Memorial, Testimonial, or Celebration Gift

Donations may be made in honour of an individual or an event.

Life Insurance Policy

You can donate a life insurance policy to a Charity, and pay over a period of time, or in a lump sum. Your premiums are considered a charitable donation and will earn a tax credit.

*Tax receipts are issued
for your donation.*

Discuss Your Options

Please be sure to discuss your options with your lawyer, accountant, investment counsellor, life insurance agent, trust officer or financial planner.

A list of local professional advisors can be found on **pages 77 to 82**.

Why Choose A Community Foundation?

Campbellford/Seymour Community Foundation

Contact: Martha E. Murphy, Executive Director
Address: 39 Doxsee Avenue North, P.O. Box 1146
Campbellford, ON K0L 1L0
Telephone: 705-653-2005
Fax: 705-653-0505
Email: info@cscf.ca
Website: www.cscf.ca

Charitable Registration number 898077912 RR0001

A community foundation belongs to the community it serves and the Campbellford/Seymour Community Foundation belongs to you, your family, your friends and neighbours.

Community foundations bring together people who care about their communities. They are independent, volunteer-driven, charitable organizations that aim to strengthen their communities by facilitating philanthropy, by partnering with donors to build permanent endowments and other funds from which they support community projects, and by providing leadership on issues of broad community concern.

Why Choose A Community Foundation?

Because you want to make a lasting gift.

By giving to the Campbellford/Seymour Community Foundation, you can create or contribute to an endowment, which is a permanent charitable giving fund that will grow and generate income over time, enabling grants to be given now.... and forever.

Community Foundations are uniquely positioned to help you learn about your community and make sure your giving has the most impact. We know the issues in our community, and the organizations working to improve them.

If community matters to you, the Campbellford/Seymour Community Foundation is where you can make your priorities known.

Ways To Give

There are so many ways to support your Community Foundation! Whether you choose to give a one-time donation or leave a lasting legacy, the choice is yours. If you would like to create a fund, we have five great options (**page 24**), or if you would like to work with other donors to increase the impact of your gift, we have a number of established endowment funds to choose from (**page 25**). It's easy to include the Campbellford/Seymour Community Foundation in your estate plan, we encourage you to talk to a professional advisor first.

*Your donations
will benefit your community forever.
All donations, no matter how large or small,
make a difference. Together we strengthen our
community and improve the quality of life
for everyone throughout
our granting area.*

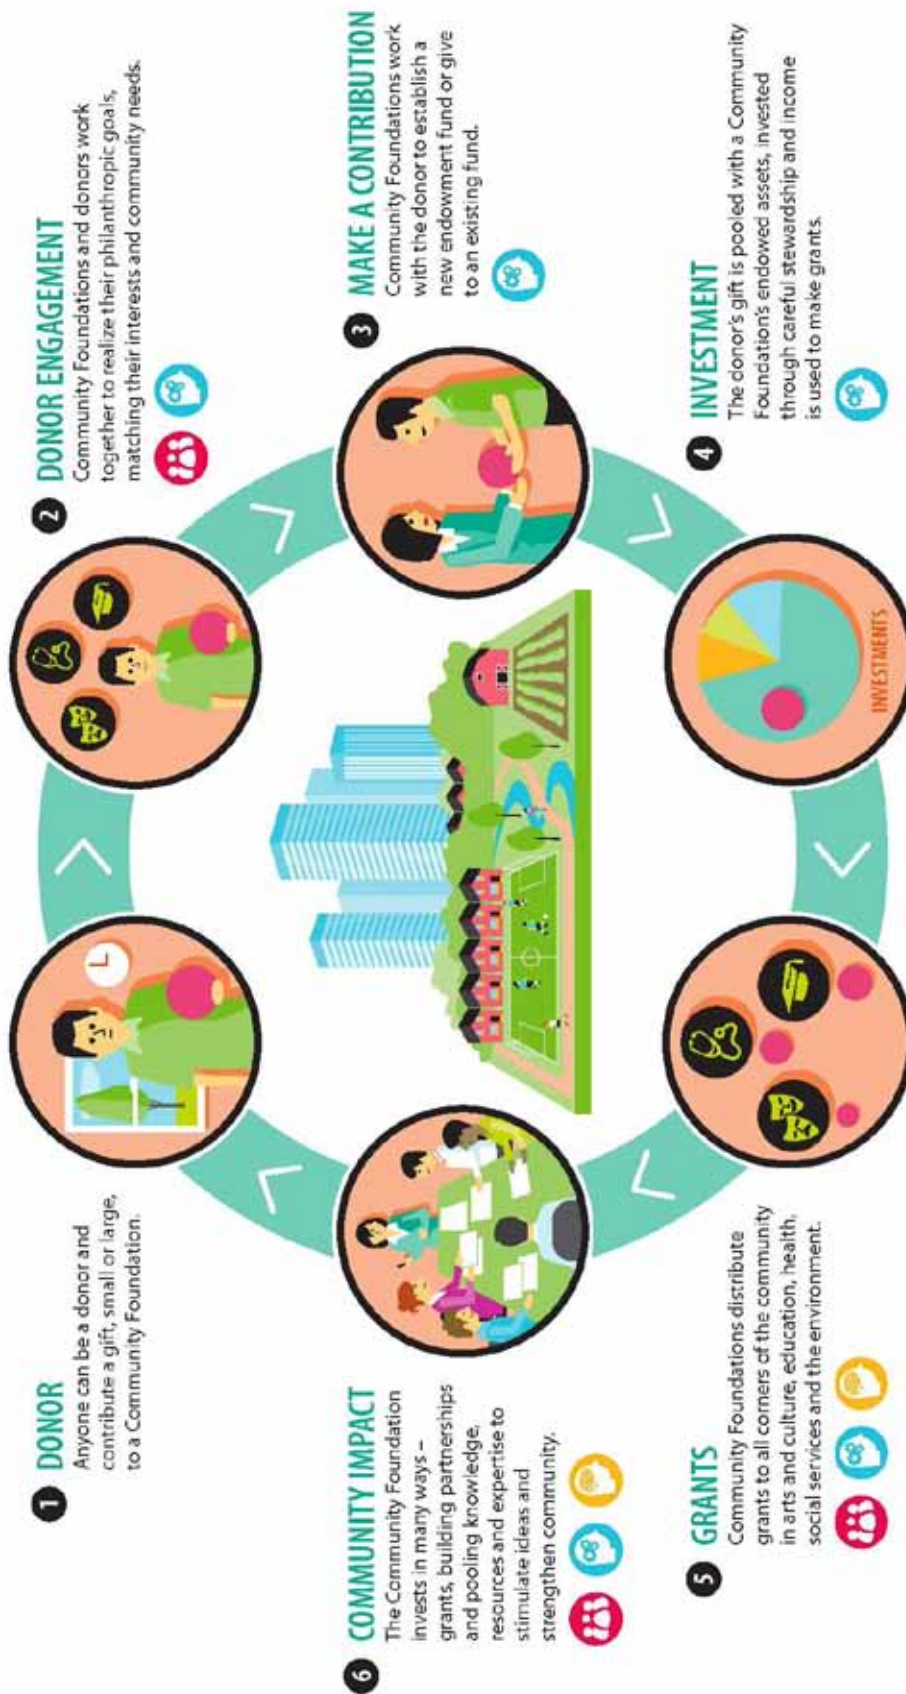

CAMPBELLFORD/SEYMOUR
COMMUNITY FOUNDATION
Growing Our Community

Giving To Your Community Foundation

Your local Community Foundation is a charitable non-profit organization that contributes time, leadership and financial support to initiatives that benefit your community most.

Why Contribute to a Community Foundation?

Community Knowledge
A deep understanding of local needs and opportunities.

Expertise
Community Foundations are credible stewards of assets with granting expertise.

Leadership
Community Foundations are led by a volunteer board of directors comprised of knowledgeable community leaders.

**Campbellford/Seymour
Community Foundation**

In 2000, the citizens of Campbellford/Seymour changed their community forever. With foresight and wisdom, and through public discussion, the community elected to allocate the proceeds of the sale of their 100-year-old public utility to the Campbellford/Seymour Community Foundation (CSCF). The Foundation, registered as a charity in January of 2001, was then mandated to ensure that the funds were used for the common good — to benefit everyone in the community.

Our Sole Purpose Is Building Community!

Today, the legacy of that momentous decision is the positive and lasting impact that the Campbellford/Seymour Community Foundation is having on the community as a whole. Community foundations develop their assets for, and in cooperation with, all the charitable causes within their community. Thus the scope of our reach is vast and varied — arts and culture, education, youth, recreation, the environment, health, social services and community development — over \$3.5 million dollars invested since 2003!

So, What Does \$3.5 Million Look Like?

It looks like playgrounds, park benches, talking books, soccer nets and basketball hoops, an upgraded ball diamond, team uniforms, x-ray tables, musical instruments, forest food gardens and shade trees, a splash pad and a skate park, wetlands, waterfronts and job opportunities for youth — and so much more.

***Read on to see how we may
have touched your life!***

*“The scope
of our reach
is vast
& varied.”*

Lives We Have Touched

We like to think that the Campbellford/Seymour Community Foundation has enriched the lives of practically every resident in Trent Hills through grant funding to local organizations. Below are some examples of our broad reach and tremendous impact that may resonate with you:

Parks, Playgrounds and Green Spaces

You may have taken your kids to the Splash Pad or Skatepark at Kennedy Park, watched them play soccer there, walked along the Waterfront in downtown Campbellford, or used the Rotary Trail. You may have participated in "Community Build Day", helping us build three playgrounds in three communities in a single day in June 2010 or since taken your kids to one of these playgrounds in Campbellford, Hastings or Warkworth. You may have enjoyed the view over the Trent River from the gazebo at Picnic Island Park, swam and enjoyed a picnic at Crowe Bridge Conservation area, or enjoyed a hike at Ferris Provincial Park.

Sports and Recreation

You may have visited the newest municipal recreation facility in Trent Hills, the Hastings Field House. You may have worked out at the Campbellford & District Curling and Racquet Club, or curled in one of their leagues. You may have kids participate in local sports such as Campbellford Minor Hockey, The Rebels, Junior or Senior Football at the high school, or Campbellford Minor Softball. You may be a lawn bowler, or play softball or baseball at the ball diamond on the Campbellford Fairgrounds. Perhaps your children attended one of the schools in Campbellford, enjoying rejuvenated playgrounds, ball diamonds and soccer fields, as well as new recess equipment and physical education equipment.

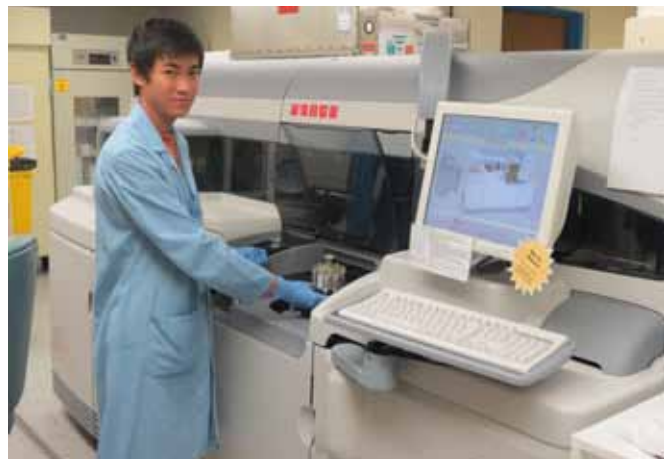

Arts and Culture

You may have taken in a movie or live entertainment at the Aron Theatre, attended a production at Westben Arts Festival Theatre, or attended the annual Santa Claus Parade in Campbellford. You may have attended the highly successful Campbellford Incredible Edibles Festival, attended the Campbellford Fair, or Campbellford's 100th Anniversary Celebration in 2006. You may have had a child in the highly acclaimed CDHS Jazz Band, or in the Hillcrest Public School band, or in the Westben Festival Youth Chorus. You may have attended a local school production or assembly, enhanced by new lighting, sound and wireless microphones. You may have visited the Campbellford Seymour Heritage Society to investigate historical or genealogical material, or have read or own a copy of their book on the History of the Campbellford-Seymour Agricultural Society. Your local library has many resources funded by grants as well, from the Children's Computer, the Eyewitness Series of Children's books, books on CD for Adults, to author visits. Your children may even have attended one of Artworth's excellent summer art camps.

Environmental

You may have hiked at the Seymour Conservation Area, utilizing the benches, interpretive signs and accessible privy. Your kids can now escape the sun with the permanent shade shelter at St. Mary Elementary School, or one of the portable shade shelters purchased by local schools and used for outdoor events. Kent Public School planted shade trees on their playground and regraded the hill behind the school for flood control and to prevent soil erosion, turning it into an edible classroom with a forest food garden that will be used in the curriculum for years to come. Maybe you attended the Renewable Energy Conference and Trade Show held at Ferris Provincial Park in 2004, or were involved in the Friends of Crowe Bridge Park who succeeded in saving that conservation area so it can be enjoyed for many years to come.

Jobs For Our Youth

Your organization or an organization that you utilize may have benefited from a student working there for the summer, or you may be the student, or the parent of a student that has gained on the job experience through our Job Opportunity for Youth granting initiative. Since 2012 local organizations have applied for grant funding for summer jobs for local youth, and we fund an average of 8 positions each summer. These jobs not only give students an opportunity to develop skills for future employability, but also to learn about charitable and not-for-profit organizations and the important work they do in our community.

Education

Your children may have attended Beehive Daycare or one of the schools located in Campbellford, who have all received funding for technology upgrades such as computers, smartboards, and tablets. Maybe you learned about an event on one of the digital signs at Hillcrest Public School, or Campbellford District High School. Hillcrest and St. Mary Catholic Elementary School also have created outdoor classrooms with grant funding, so your kids can enjoy the fresh country air while learning. Maybe you have taken a computer course at the Campbellford Community Resource Centre, or participated on one of our networking events called People, Partnerships and Possibilities.

Citizens In Need

You may have had a family member utilize The Bridge Hospice in Warkworth for palliative care, or had a child benefit from a tutoring program for students with learning disabilities. You may have used the Fair Share Foodbank, or taken a nutrition course or participated in a community kitchen through the Foodbank. You may have used the Venture Van for transportation, or used one of the many services provided by Community Care or Community Living. Maybe you attended a Palliative education and support program, or a Senior Years Family Education Day, or used the Seniors Wellness Road Map to locate services in Trent Hills.

Health and Wellbeing

If you have visited Campbellford Memorial Hospital, you have been touched by the community foundation. An Accessibility Audit, Energy management study, lighting redesign and retrofit, marketing campaign for physician recruitment, and a communications strategy have all been funded by grants from the community foundation. The x-ray table was partially funded in 2005, and more recently new hospital equipment such as the digital mammography machine, was purchased through funds raised through the Flourish Campaign and are some of our largest investments in community wellness. The Independent Order of Odd Fellows Humanitarian Services lend medical equipment to community members, and grant funding allowed them to add storage space and a repair shop to their building.

Accessibility

If you have visited the municipal office, the town pool, or Campbellford Memorial Hospital you have experienced improved accessibility to these facilities due to CSCF grants. St. John's United Church Auditorium and the Aron Theatre both have received grants to upgrade their door systems, and the Royal Canadian Legion, Masonic Hall, and Lions Park Beach all have upgraded their washroom facilities to become more accessible. Ferris Provincial Park now has a Debug all-terrain wheelchair, allowing people with disabilities the opportunity to enjoy their trails, picnic areas and outlook points. Community Living Campbellford/Brighton and the Campbellford Community Resource Centre received grant funding to create a state-of-the-art conference centre in their facility, and it was named The Acorn Room, in acknowledgement of the CSCF funding. It is almost always fully booked, for all kinds of uses, from Tai Chi classes to meetings, workshops and conferences.

Community Development

The Campbellford Rotary Club was instrumental in the conception of the Ranney Gorge Suspension Bridge leading to Ferris Park, and the landscaping of the west entrance to the bridge was funded by a grant. Downtown Campbellford looks more attractive, both summer and winter, thanks to grants to the Campbellford BIA for banners and Christmas Wreathes mounted on the light standards each season. The Rotary Club also purchased a boardroom table and chairs with grant funding, improving the space at the Rotary Hall to make it more useable for community groups. Trent Hills Community Policing received grants to improve the services they provide to the community, including surveillance cameras for the public library and the town pool.

Municipal Projects

The Municipal Fund at the CSCF is used for projects determined by the Municipality of Trent Hills. Your Trent Hills Fire Department has benefited from funding for a compressor and for breathing apparatus. Signage has also been improved, from the small directional signs leading to the library, to an educational heritage sign about Rice Growing on the Trent River, to a large sign for the business park. Booth Street, leading to Campbellford Memorial Hospital, and Petherick's road were both upgraded through municipal fund grants. The clock at the Clock Tower Cultural Centre (formerly the old town hall), was restored in partnership with the Lions Club of Campbellford. CSCF and the Municipality have enjoyed a productive and mutually beneficial relationship over the past 15 years, partnering on many projects with grant funding, such as the Revitalization of Kennedy Park, Downtown Waterfront revitalization, and recreation re-development through Flourish – The Trent Hills Wellness Campaign.

HATCH

(Helping Assure Tomorrow's Charitable Hearts) Grants

Hatch grants are used to develop projects that students determine are important to them and their school. As a parent, teacher, or student, your school community has benefited from annual \$1,000 HATCH grants for projects such as litterless lunch kits, recycling stations, after school games clubs, recess play equipment and even math textbooks. Larger items like school benches, a juke box for the cafeteria and a TV monitor for school news and events were chosen by students in workshops facilitated by our YAC members.

Community Leadership and Partnership

The Campbellford/Seymour Community Foundation participates actively in community partnerships, leads by example and fosters community leadership. Here's how we do it:

Youth Advisory Council

In 2003 the Community Foundation set up a Youth Advisory Council (YAC), which gives local youth a voice in their community. The YAC is made up of Campbellford District High School students, who give back to their community through events they organize such as the Earth Day Clean-up, Halloween for Hunger, and the Christmas Toy Drive. YAC members gain leadership skills through their help facilitating our HATCH (Helping Assure Tomorrow's Charitable Hearts) grant program in the local schools. We are very proud of our community youth!

Peer Leadership Awards at our local schools

Each year the Community Foundation presents Peer Leadership Awards to deserving Campbellford students, nominated by their peers, for demonstrating outstanding leadership skills, at each school's year-end assembly. These leadership certificates are personalized, with the reasons for the nomination printed on the back of the certificate, so that each student realizes the impact their actions have on those around them.

Revitalization of Kennedy Park

The Revitalization of Kennedy Park began in 2008, when the Municipality of Trent Hills received a Municipal Fund grant from the Community Foundation to hire a consultant to create a master plan for the revitalization. The plan would have three phases: the first phase was to re-allocate the soccer fields to be more conducive to soccer play, to add parking spaces, and to build a state-of-the-art skatepark.

The second phase would see the creation of a vibrant playground for young people and adults alike, which ended up expanding across three communities. Our "Community Build Day" was held on September 4th, 2010, and three playgrounds - in Campbellford, Hastings and Warkworth - were completed in a single day with help from three hundred community volunteers!

The third phase focused on the addition of a spectacular splash pad. We continue to be inspired by the members of our community who provided gifts and who participated in this extraordinary revitalization project that spanned three communities, as well as with our partnership with the Municipality of Trent Hills. This has truly been a community success story!

A Community Garden in Campbellford

A community garden was initiated by the Community Foundation's Environmental Committee a number of years ago, and has attracted many local "green thumbs" to plant and cultivate produce for our local Food Bank. Members of the Campbellford Incredible Edibles committee took on the operation of the garden and it was renamed the Campbellford Community Edibles Garden. The Community Foundation provided grant funding to build raised beds on property on Doxsee Avenue North, owned by Newman Insurance. The garden is open to all residents and visitors to the community to stop by and pick a few vegetables or herbs to add to their meal.

Citizen Of The Decade Gala

In 2006 the Campbellford/Seymour Community Foundation partnered with the Campbellford-Seymour Heritage Society to host a gala event, called the Citizen of the Decade, in celebration of Campbellford's 100th Anniversary. Residents were asked to nominate a person they felt greatly contributed to the Campbellford community, one for each decade. The person, or member of the person's family, were presented with a special plaque, and a permanent display was installed in the Campbellford Public Library.

Volunteers

Community foundations bring together people who care about their communities. We have been blessed to have had a number of enthusiastic community members volunteer to sit on our Board of Directors, or one of our many committees, since 2001.

Municipality of Trent Hills

We are proud of our unique partnership with the Municipality and look forward to many years of continuing to work together to make a difference, in not only Campbellford/Seymour, but all of Trent Hills. A member of Council from the former Municipality of Campbellford/Seymour is a liaison between the Community Foundation and the Municipality.

Encouraging and Participating in Buy Local, Give Local, Live Local

The Community Foundation requests that our grant recipients purchase goods and services for their project locally, if possible, with any grant funding they receive from us. We patronize local businesses for any of our operational expenses, from office supplies to office repair and maintenance. We are proud to support the Northumberland County Buy Local campaign, and ensure our dollars flow back into the community, which ultimately stimulates the entire community.

Flourish - The Trent Hills Wellness Campaign

The Community Foundation partnered with The Municipality on Flourish - The Trent Hills Wellness Campaign, a \$7 Million fundraising campaign aimed at contributing to the overall health and wellness in the Trent Hills community. The Campbellford Memorial Hospital Foundation was also a partner in this exciting initiative and succeeded in raising \$4 million for hospital equipment. The Community Foundation and the Municipality of Trent Hills continue their partnership initiated by this campaign, working on the recreation re-development initiative. (See pages 64-65). The Hastings Field House opened in 2015, and was the first phase in this initiative. The next phases include an addition of an accessible community space to the Warkworth Arena and a multi-use recreation facility with an indoor pool and an arena in Campbellford.

Community Consultations

The CSCF has also taken a leadership role in facilitating community meetings and events. You may have provided input at one of our Interactive Community Inquiry's, where we asked local residents what kind of a large-scale project they would be interested in for the community. These community consultations ultimately lead to the Recreation and Wellness Centre Feasibility Study, with the first phase of the Municipal recreation re-development initiative, the Hastings Field House, opening in 2015.

In 2016, the Campbellford/Seymour Community Foundation celebrated its 15th anniversary as a community partner and grant maker. To mark this important milestone a community consultation process took place. Donors, volunteers, board members, grant beneficiaries and professional advisors provided input through one-on-one interviews or on-line surveys, and were asked to share their views on the impact the Community Foundation has had on the Campbellford/Seymour community. Beginning with our commitment to community vitality, we used this information to develop our five-year strategic plan.

CAMPBELLFORD/SEYMOUR
COMMUNITY FOUNDATION

Growing Our Community

www.cscf.ca

The Campbellford/Seymour Community Foundation relies on the generosity and commitment from our community for the continued viability of the Foundation.

We work with “**Community Builders**” to help them realize their philanthropic goals by matching their interests and concerns with community needs. We help them find innovative and responsible ways to give their investments lasting impact.

Meet Some Of Our “Community Builders”

Ed Fone Youth Sports Memorial Trust Fund

In 1998 the Municipality of Trent Hills received a donation in memory of Ed Fone, to provide funding support for youth sport improvements in Campbellford/Seymour. At that time the Municipality did not have a suitable project to contribute it to, and as it had been sitting idle for a number of years the Municipality received permission from Ed’s wife, Ann, in 2004, to transfer the funds to the Campbellford/Seymour Community Foundation’s *Ontario Endowment for Children and Youth in Recreation Fund*. (See page 63).

Ann said “Ed was very interested in youth and coached both soccer and hockey in Campbellford. Ed enjoyed and played all sports and I felt that the *Ontario Endowment for Children and Youth in Recreation Fund* was a good fit.”

“Children should have an opportunity to play sports.”

*This fund is an example of contributing to an **Established Fund** - working together to increase the impact of your giving.*

**CAMPBELLFORD/SEYMOUR
COMMUNITY FOUNDATION**

Growing Our Community

www.cscf.ca

The Northumberland Arts & Crafts Association

In 2006, Anne Linton, President of the Northumberland Arts & Crafts Association, announced the closing of its operation after 28 years of service to the community. The Association donated the net profits from their shows back to the community, concentrating on supporting Arts & Culture in the area.

Anne remarked "As we were winding up our business, we found that we had a surplus of funds for which we had to find a place. After researching possible recipients, the Campbellford/Seymour Community Foundation showed us a way to use this money to continue to give back to the community in perpetuity. By setting up a special endowment fund we are able to specify that the interest from the fund can be earmarked for those applications that pertain to the arts. This was the perfect answer for our organization. We could wind down our activities and yet still be able to meet our mandate."

Cathy Redden, 2006 CSCF President, said at that time "We are pleased and honoured that the Northumberland Arts and Crafts Association have established this endowment fund with the Community Foundation. What this fund will contribute to the Community in the future will be representative of the good work that has been accomplished by the association in the past." This is the first named Endowment Fund created with a donation from another organization. (See page 29).

Front Row: Jan & Evert Scheidt
Second Row from left: Anne Linton, President Northumberland Arts & Crafts Association, Martha Murphy, Executive Director CSCF, Cathy Redden, President CSCF, Eric Holmden, Director CSCF, Don Pearson, Director CSCF, Isobel Ketcheson, Member of Northumberland Arts & Crafts Association

The Northumberland Arts & Crafts Association's legacy will continue in perpetuity.

This fund is an example of a Field Of Interest Fund - targeting a gift to address a need in an important area of community life.

Campbellford Gymnastics Club

In 1975 Marion Seguire and Gwen Carlaw started teaching gymnastics through the Recreation Department and in 1983 formed the Campbellford Gymnastics Club.

After 30 years of coaching, Marion, Beverly Meyers and Sharon Vanden Tillaart decided to retire from the club. Due to a lack of coaching staff, the Club could not continue and sold their equipment. In 2008 they donated the proceeds of \$4,500 to the Revitalization of Kennedy Park Project. **(See page 16).**

“It has been a local home grown program for 33 years” said Marion Seguire “which will now assist a new recreation project in our community.” Bev Meyers added “By leveraging our donation with matching grants, the Revitalization of Kennedy Park will be a win, win situation for the youth and a legacy for the Campbellford Gymnastics Club”.

The Rural Agri-Ventures Ontario (RAV ONtario)

In 2008 the RAV ONtario Representatives donated the remaining funds from the Rural Agri-Ventures Ontario Fund to the Campbellford-Seymour Community Foundation's Environmental Endowment Fund.

(See page 50).

The organization hadn't been active since 2002. They wanted the grants from the Fund to fund projects that met their original objectives:

- Support local agriculture initiatives that have a sustainable, triple bottom line - economic, social and environmental
- Encourage collaboration and partnerships between urban and rural citizens and organizations to further the community's capacity to grow healthy, local foods, thereby building community and ecological resilience.
- Provide educational opportunities for citizens regarding ecological farming practices, urban agriculture, nutrition and health, and food security and sovereignty.

*This is an example of a **Field Of Interest Fund** - targeting a gift to address a need in an important area of community life.*

They want grants from the fund to fund projects that meet their original objectives.

If You Can't GIVE It Up. GIFT It Up!

In 2008 retired business woman, Kathy Herrold, and her husband, Doug Calver, made the decision to donate the boat of their dreams to the Community Foundation. Kathy said "It was no easy decision to give it up, until we realized we could GIFT it up. Once we got past the emotion of it all, we also realized that it made good business sense. We were just sitting on a depreciating asset." "We didn't lose anything, as we received the full tax benefit of the appraised value." The community foundation arranged the appraisals and the on-line auction, and the realized funds were used by the community foundation for operating expenses.

Kathy continued "Most people think they don't have anything to give. But they do - boats, cars, jewelry, artwork, all of it can be used to help. Many people, like us, are just sitting on assets, waiting to leave them to their children. People don't realize they can leave a legacy by donating to the many needs in the community."

"People don't realize they can leave a legacy by donating to the many needs in the community."

*This is an example of making a donation to an **Established Fund.***

The flexibility of a donation to our Community Fund makes it possible for the Community Foundation to respond to the community's most pressing needs, today and tomorrow.

Five Great Fund Options - Choose The One That's Right For You

1 Unrestricted Funds

You can use your gift to meet ever-changing community needs - including future needs that often cannot be anticipated at the time your gift was made. We evaluate all aspects of community well-being - arts & culture, education, environment, health and social services, youth and more. The flexibility of your unrestricted gift makes it possible to respond to the community's most pressing needs, today and tomorrow.

2 Field of Interest Funds

You can target your gift to address needs in an important area of community life. The Arts. Aging. Youth. You identify your personal interest area when making your gift, and our board awards grants to community groups and programs that are making a difference in the area you select.

3 Designated Funds

You can direct your gift to a specific charity or issue area. Help provide ongoing funding for a senior centre, museum, your church, or virtually any nonprofit charitable organization. You identify the recipient you wish to benefit through your gift, our staff manages the annual distribution of funds.

4 Donor Advised Funds

You can have ongoing involvement in the use of your gift. You work with our staff, identifying ways to use dollars from your Donor Advised Fund to address the issues and needs you care about most. Your recommendations are submitted to our board for approval, we then distribute grant dollars.

5 Agency Endowment Funds

An attractive option for local charities that currently manage, or are interested in establishing their own endowment fund. An Agency Endowment Fund through your local community foundation makes it easy and efficient to create and manage a permanent endowment for your organization. You build the fund. We take care of the rest.

Start Your Own Fund

Individuals and organizations may wish to focus their charitable efforts and establish a named endowment fund for the benefit of their community. We have many options available for planned giving.

Establish A Fund

Any of these funds can be established in your name, or in the name of your family, your organization, or anyone you wish to honour (minimums may apply). All grants distributed from your fund - today and in the future - are then awarded to charities in the name of your fund. It's a great way to always be involved with, and remembered for, your community investment.

If you prefer to give with others who share your interests, we have collective giving options through endowment funds that have been created to support Arts & Culture, The Environment, Children & Youth In Recreation, and more.

*Start or
establish
your
own fund.*

CAMPBELLFORD/SEYMOUR
COMMUNITY FOUNDATION

Growing Our Community

www.cscf.ca

Some donors prefer to work together to increase the impact of their giving. Whether you are interested in advancing arts and culture, promoting community well-being or protecting the environment, your community foundation can help you realize your philanthropic dream.

You can make a one-time gift or set up a manageable monthly donation to any of our established funds. Because gifts are pooled and invested, every donation - no matter what the size - has lasting impact.

Community Fund

This fund was created with the proceeds of the sale of the 100-year-old public utility and is the primary fund providing grants to projects which benefit the residents of Campbellford/Seymour. (See page 31).

Environmental Fund

The goal of this fund is to promote and support environmental stewardship and sustainable living in the Campbellford/Seymour area through grant programs. (See page 50).

Municipal Fund

This fund was also created with the proceeds of the sale of the 100-year-old public utility and is for projects determined by the Municipality of Trent Hills.

The Northumberland Arts & Culture, Jan & Evert Scheidt Fund

This fund was established in 2006 through a donation from the Northumberland Arts & Crafts Association. This fund supports arts & culture in the Campbellford/Seymour community. (See page 29).

Ontario Endowment For Children And Youth In Recreation Fund

This fund supports recreational projects and programs benefiting children and youth in the Campbellford/Seymour community. (See page 63).

Joseph Rudolf Marth Memorial Scholarship Fund

This fund will provide an annual award to a student who has contributed to the overall “upbeat and positive atmosphere” of the Campbellford District High School community. (See page 47).

Harold (Hank) Leith Willis Memorial Scholarship Fund

This fund will provide an annual award to a student who demonstrates community involvement inside and outside the school community. (See page 46).

*Every donation -
no matter
what the size -
has lasting
impact.*

COMMUNITY FOUNDATION**

Growing Our Community

www.cscf.ca

Your Community Makes You And You Make Your Community!

You can become part of a vision for your community by investing in your hometown. This “Give where you live” philosophy will help ensure that each community in Trent Hills can respond to its needs through access to their own granting program.

As part of Flourish ~ The Trent Hills Wellness Campaign, the Community Foundation created *Smart & Caring Community Funds* for Hastings and Warkworth, as well as a new fund for Campbellford.

Smart & Caring Community Funds provide residents with the opportunity to invest in solutions, and to help their friends and neighbours in their hometown for generations to come. Contributions to these funds will be invested and the interest generated will be used to support the community in the form of grants to local organizations.

Campbellford Smart & Caring Community Fund

This fund was created so that residents of the town of Campbellford and the township of Seymour have an opportunity to give back to their hometown. To thank a community that helped them succeed – To give where they live! (See page 32).

Hastings Smart & Caring Community Fund

This fund was created so that residents of the town of Hastings and surrounding area have an opportunity to give back to their hometown. To thank a community that helped them succeed – To give where they live! (See page 33).

Warkworth Smart & Caring Community Fund

This fund was created so that residents of the town of Warkworth and the township of Percy have an opportunity to give back to their hometown. To thank a community that helped them succeed – To give where they live! (See page 34).

*You can invest in
your hometown's
future with a gift
or a bequest.*

About Us

The Heritage Society was founded in January 1983, and affiliation with the Ontario Historical Society was quickly established. Monthly meetings were initially held in members' homes, at the town council chambers, and at the Campbellford District High School library. The Society had no permanent home until 1989 when the Town Council of Campbellford generously gave the Society the use of the stone building at 113 Front St. North for the purpose of creating a heritage facility.

Mission

- To continue the study, preservation and communication of the heritage and history of Campbellford/Seymour, its environs and its people.
- To continue to develop and maintain local archives.
- To continue to assist in family and genealogical research.
- To continue to collect and maintain artifacts or local significance.
- To co-operate with other heritage societies, institutions and agencies to contribute to the advancement and preservation of both local and Canadian history.

Recent Success in Our Charitable Work

- Gleanings: A History of Campbellford/Seymour (book)
- Campbellford Memorial Hospital: 50 Years of Care Beyond Compare, 1953-2003 (book)
- A Walk Down Memory Lane: 150 Years of the Campbellford-Seymour Agricultural Society (book)
- Monthly meetings and presentations
- Indexing of the Campbellford Herald, 1873 - 1996
- Maintain data base of local genealogies
- Continue to receive and accession donations of local materials
- Update and maintain local cemetery records
- Heritage Garden
- Annual Yard Sale in July
- Collection of materials from the Warkworth Historical Society
- The Campbellford Model Railroad Club

*Fostering an
awareness of local history
and pride in the heritage
of the community of
Campbellford/Seymour*

The Northumberland Arts & Crafts - Jan & Evert Scheidt Fund at CSCF

About Us

This fund was established in 2006 through an \$8,000 donation from the Northumberland Arts & Crafts Association, who decided to cease operations after 28 years of service to the community. Anne Linton, President of the Northumberland Arts & Crafts Association announced the closing of its operation and that the balance of their funds would be donated back to the community, concentrating on supporting Arts & Culture in the area.

Anne remarked "As we were winding up our business, we found that we had a surplus of funds for which we had to find a place. After researching possible recipients, the Campbellford/Seymour Community Foundation showed us a way to use this money to continue to give back to the community in perpetuity. By setting up a special endowment fund we are able to specify that the interest from the fund can be earmarked for those applications that pertain to the arts. This was the perfect answer for our organization. We could wind down our activities and yet still be able to meet our mandate."

Purpose

The Campbellford/Seymour Community Foundation will provide grants from this fund, to local organizations for Arts & Culture projects that benefit our community. The initial gift and any further contributions to this fund will be held permanently in an investment portfolio, and a portion of the interest will be used for granting purposes.

*For Arts & Culture
projects that benefit
our community.*

About Us

Conceived in 1991, Westben Arts Festival Theatre Inc. grew out of the meeting between its co-founders soprano Donna Bennett and pianist Brian Finley and an immensely talented and energetic community. Bringing a wealth of international performance experience to Campbellford, Donna and Brian began presenting and performing classical music professionally at a variety of local venues, and teaching advanced level music students. In 1997, they led a fully staged production of Jesus Christ Superstar, a hugely successful community effort that ignited the entire area with an excitement and a sense of cultural awakening. In an effort to coordinate and perpetuate all of these activities, they founded the Westben Arts Festival Theatre.

Westben was incorporated as a not-for-profit organization in 1999 and received charitable status in 2000. In July 2000, Westben presented its debut season of Concerts at The Barn in its brand new, 400-seat timber-frame theatre-barn built specifically for this usage. Community participants joined 70 acclaimed Canadian artists in 10 concerts over five weekends. Now concluding its 16th season, Westben remains committed to presenting world-class live music, community-based musical events and forums for music education for all levels and generations of learners.

Recent Success in Our Charitable Work

First opening its doors on July 1, 2000, Westben is soon to enter its 17th season presenting "world class music in wide open countryside." Since 2000 Westben has presented over 350 concerts featuring several hundred artists, selling close to 80,000 tickets, and serving more than 8,000 learners. We have welcomed artists and audiences from across the country and internationally.

In partnership with the Municipality of Trent Hills, Westben has also grown to include a second, year-round facility in downtown Campbellford: the Clock Tower Cultural Centre. With this recent move of its box office, administration and shoulder-season events into this historic building, Westben has greatly increased its year-round activity. By engaging and enriching its community, Westben seeks to nurture community vibrancy & promote the development of cultural tourism in the area.

Mission

The Westben Arts Festival Theatre is committed to nurturing communities of artists, audiences and learners through exceptional musical experiences.

Granting

The Campbellford/Seymour Community Foundation makes grants available for projects both large and small to benefit and enhance life in our community. As a community foundation, we can support and assist worthwhile endeavors across a broad spectrum:

- Arts and Culture
- Education
- Youth
- Recreation
- The Environment
- Health
- Social Services
- Community Development

Since 2003 we have granted more than \$1.8 million to local charitable organizations from the Community Fund.

Grants have ranged in size from \$700.00 to \$55,000.00 depending on the nature and scope of the project. More than \$1.7 million has been granted from the Municipal Fund as well, meaning that over \$3.5 million has been invested in our community.

Give Where You Live!

Your community makes you and you make your community! You can become part of a vision for your community by investing in your hometown. This “Give where you live” philosophy will help ensure that each community can respond to its needs through access to their own granting program. To this end, we created a Smart & Caring Community Fund for Campbellford, as part of Flourish - The Trent Hills Wellness Campaign.

Purpose

Smart & Caring Community Funds provide those with the means and the opportunity to invest in solutions, to help their friends and neighbours for generations to come. Contributions to this fund will be invested and the interest generated will be used to support your hometown in the form of grants to charitable organizations.

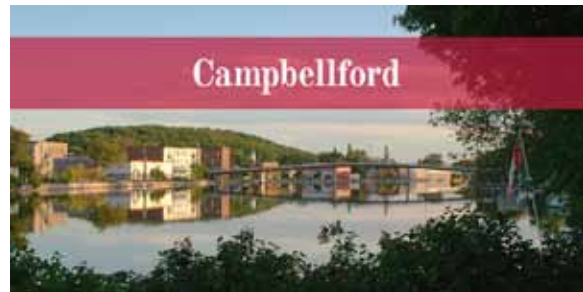

Smart & Caring Communities

Smart & Caring Communities is a landmark effort that is bringing Canada’s community foundation movement together in response to the Governor General’s call for all Canadians to build a ‘smart and caring nation’.

Collectively we are working to ensure that every community has access to a community foundation, and that communities across the country have access to dedicated resources through Smart & Caring Community Funds established specifically to respond to local priorities.

We are delighted to invite you to invest in your hometown’s future through our Smart & Caring Communities campaign. Our priorities are driven by the primary challenge of supporting local initiatives in sustainable and inclusive ways, to ensure community health and vitality, for generations to come.

About Us

Beehive Daycare opened on April 16, 1990, and is licensed for 56 children between the ages of 14 months to 12 years old by the Ministry of Education, Child Care & Early Years Act, 2014.

Beehive Daycare is a non-profit charitable organization governed by a volunteer Board of Directors. Parental involvement is encouraged by serving on our Board of Directors, a committee or donating time on projects as they occur.

Our Educators have Early Childhood Education diplomas and are registered with the College of Early Childhood Educators. Our Program Assistants are required to continue their education to complete the ECE program.

Program Statement

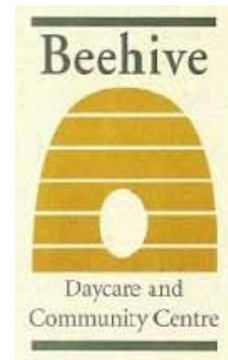

It is our belief that every family has the right to high quality childcare in a positive and stimulating environment.

A child is a person in his/her own right and is, therefore entitled to respect, consideration, cultural nurturing and understanding by those responsible for his or her care and education.

Our program supports the child, family, educators and the community to connect and interact together to support the development of strategies, dispositions and skills for lifelong learning through play and inquiry. Understanding of children as competent, curious, capable of complex thinking and rich in potential provides educators with direction to foster each child's sense of Belonging, Well-Being, Engagement and Expression.

Our programs are re-evaluated regularly to reflect the changes in the Child Care & Early Years Act, 2014 and new ideologies in Early Childhood Education.

*"It is our belief
that every family has the right to
high quality childcare in a positive
& stimulating environment."*

About Us

In the year 2000, the citizens of Campbellford/Seymour became the benefactors of a legacy that would positively affect their lives for generations to come. The proceeds of the sale of our one-hundred-year-old public utility were entrusted to the newly formed Campbellford/Seymour Community Foundation (CSCF). The Foundation was given the mandate to ensure the funds were used for the common good, now and for the future.

Our Vision

A strong, healthy, connected, inclusive and caring community.

Our Mission

Champion the gifts of energy ideas, and money, to enhance, meaningful and lasting impacts through grants, stewardship, leadership and partnership, that benefit our community.

Community Building

We build community assets by engaging donors who want to invest in our community.

Community Impact

We invest in innovative projects and initiatives that enrich our community.

Community Leadership

We participate actively in community partnerships, lead by example and foster community leadership.

Your donation will benefit your community forever. All donations, no matter how large or small, make a difference. Together we strengthen our community and improve the quality of life for everyone throughout our granting area. See **Section 2** for more information.

About Us 1960 - 2015

In 1960, Mrs. Mary Cook believed that people with intellectual disabilities should have access to services and supports. She valued the contributions that all members of society could have in this community.

Since that time, the Organization has continued to experience tremendous change and growth in its direction to providing support and services to approximately 140 people and their families with an intellectual disability throughout Northumberland.

In 2015, Community Living Campbellford/Brighton entered their 55th year of providing quality support and services to people with intellectual disabilities and pride themselves in maintaining a culture that fosters high performance and continuous learning.

Community Living Campbellford/Brighton is in full compliance with the "General Quality Assurance Measures for Service Agencies" as part of the Services and Supports to Promote the Social Inclusion of Persons with Developmental Disabilities Act, 2008.

Our Preferred Future

A community that inspires possibilities to realize the hopes and dreams of all citizens.

Our Shared Mission Is To

Develop community leadership, actively preserve and enhance our historic and natural heritage, foster innovative community investment and encourage collaboration.

"We provide support and services to approximately 140 people with an intellectual disability and their families throughout Northumberland County."

About Us

The Fare Share Campbellford and District Food Bank was incorporated December 1990. It was to be short-term assistance for families having financial problems. There has been a constant need through the years.

Mission Statement

Our Mission is to provide food for people in need, through the operation of a community based food bank, to deliver these services with a volunteer staff and to enable clients to retain their self-respect. This organization shall be carried on without purpose of gain for its members and any profits or other accretions to the organization shall be used in promoting its objects.

Recent Success in Our Charitable Work

We provide food for over 120 families a month at this time and this is a constant and creative challenge, to procure this amount of food. We received financial assistance from the Campbellford/Seymour Community Foundation to purchase a refrigerator with top freezer. There are many fundraising efforts in our community from the schools, stores and service club. We have been very fortunate with all the support.

"We provide food for over 120 families a month."

About Us

The Friends of the Library was formed by a group of interested members of the community, to help raise awareness of the purpose of the Library within this community.

The Campbellford Seymour Library was left a bequest by Mary Margaret West. The decision was made to use this money to build an addition onto the Carnegie Public Library, which serves the people of both Campbellford and Seymour.

Our Programs

The Friends of the Library is a group that supports the library to maintain and enhance the resources and services offered by:

- Organizing fundraising events such as book sales, bake sales, author nights, and more to support library programs and services.
- Representing the mutual interests of the library and the communities using its services.
- Focusing public attention on the library's resources and services.

Recent Success in Our Charitable Work

When the Expansion Project was completed, the Friends Organization continued to raise funds for the needs of our Library not covered in the Library Budget. Over the years we have provided many items such as Internet, TV and VCR for the Children's Section, Photocopier, Rocking Chair and Carnegie the Dragon (to climb on during story hour). We continue to provide ongoing support for the Large Print Rotation and Visiting Author Days.

About Us

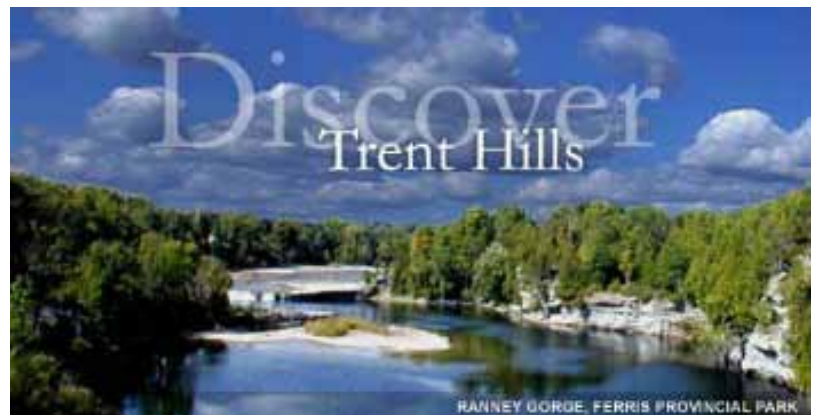

Trent Hills is a vibrant amalgamated community of 12,900, consisting of three urban centres; Campbellford, Hastings and Warkworth and the rural townships of Percy and Seymour. Trent Hills offers an inclusive, healthy rural lifestyle for its residents, businesses and visitors. Public works, water, sewer, planning, recreation and community development initiatives are the main services offered by the Municipality of Trent Hills.

Come for a visit. Stay for a lifestyle.

Mission Statement

The Municipality of Trent Hills' mandate is to build upon its rural and urban heritage and natural assets to offer a high quality of life to all its residents including a variety of recreational services, utilities, health and social services and facilities necessary to the well-being of all residents of the community.

Trent Hills is blessed with a number of outstanding assets: including an abundance of natural resources, picturesque rural landscapes, ample business services, and a non cultural heritage.

Qualified Donee

About Us

Rotary supports various organizations in the community with proceeds from fundraising events and oversees projects that benefit local and global organizations and causes. Rotary meets every Monday in Campbellford and welcomes new members to the club.

Rotary International celebrated 110 years as an international organization and the Rotary Club of Campbellford celebrated their 87th Anniversary in 2015.

Mission and Vision

The motto of all Rotary Clubs is "Service above Self."

The Rotary Club of Campbellford's objective is to encourage and foster the ideal of service as a basis of worthy enterprise.

The mission of the Rotary Foundation is to enable Rotarians to advance world understanding, goodwill and peace through the improvement of health, the support of education, and the alleviation of poverty.

Recent Success in Our Charitable Work:

- In the summer of 2015, Rotary club members as part of their ongoing commitment of upkeep to the 5 km Rotary trail which they created in 1995, applied for and received funding from the Campbellford/Seymour Community Foundation and Rotary International to give the trail a much needed facelift. Davidson Excavating completed the trail upgrades and made a donation back to the Rotary Club.
- Rotary supports and hosts an annual Rotary Youth Exchange student from other countries who come to Campbellford and are immersed in our culture and a student from Campbellford goes to another host country
- Rotary supports international projects, as well as, the Shelterbox Program which is known for its innovative and adaptable diverse emergency shelter options for any disaster or crisis.
- In 2014, Rotary club members made a commitment to donated \$25,000.00 (\$5,000 per year) towards Flourish ~ the Trent Hills Wellness Campaign
 - Campbellford Recreation Campus.
- Other local projects include:
 - Campbellford Memorial Hospital Polio Plus
 - C.D.H.S. Scholarship Awards
 - Public School Breakfast Programs
 - Community Resource Centre Summer Camp
 - Trent Hills Fire Department
 - Paint the Town Red (tulip project)
 - Kennedy Park - Splash Pad, Playground and Skateboard projects
 - Rotary Youth Centre Expansion (rentals)
 - Hosted the annual Rotary Walk
 - Built the Ranney Gorge Suspension bridge
 - Westben Theatre

About Us

The Bridge Hospice is a three-bed residential hospice where compassionate end-of-life care has been provided at no charge since June 2013. Hospice residents are cared for by Saint Elizabeth Healthcare professionals around-the-clock in a tranquil, homelike setting, and their loved ones are welcomed and supported at any hour by dedicated volunteers.

Built by the community and supported by donations, the hospice gives terminally ill people an alternative to home and hospital for their final weeks. Serving a primarily rural region, The Bridge Hospice allows people to stay close to home when it matters most.

Residential hospice unburdens loved ones of the worries of managing care at home, while alleviating demand and costs for acute-care hospital beds.

The Bridge Hospice does not charge a fee for its services, and relies on donations and year-round fundraising efforts to cover operational costs.

Mission

The Bridge Hospice is about living the end of your life with the same advantages as being at home, supported every moment by a team of physicians, nurses, personal care givers, and volunteers.

Recent Success in Our Charitable Work:

In September 2015, The Bridge Hospice entered an innovative 5-year partnership with Saint Elizabeth Community Enterprise, enabling professional personal support workers to be at the hospice at all times for bedside care and the provision of hospice-designated nursing services. This has greatly increased our capacity to serve. Admissions have grown by over 100% and demand continues to escalate. We continue to work in partnership with local and regional healthcare agencies and professionals, while promoting the value of rural residential hospice at the provincial level. Remarkable volunteers in executive, board, resident care, administration and property management functions remain essential to the hospice's past and future accomplishments.

*Providing
compassionate end-of-life
care since June 2013.*

Our Mission

Our mission is to serve Veterans, including serving military and RCMP members and their families, to promote Remembrance, and to serve our communities and our country.

The Legion Exists So That Canada Never Forgets

The Legion understands the importance of honouring past sacrifices and acknowledging the courage of those who served and still serve today. Through Remembrance Day ceremonies, the Poppy campaign, commemorative activities, youth education programs and more, the Legion helps Canadians to honour and remember.

The Legion Serves Our Communities And Our Country

Legion Branches are the cornerstone of communities across Canada, and provide one of the largest volunteer bases in the country. With more than 1,400 Branches from coast to coast to coast, our members provide local services and supports to build a stronger Canada. Whether helping local Veterans, supporting seniors, providing youth sports programs, raising funds, volunteering to help those in need, or simply offering a place to gather for fun and celebration, Legionnaires provide essential services in their communities.

*Honouring
Veterans is our duty.*

About Us

We started purchasing, collecting, restoring and flying vintage warbird aircraft in 1990. We have facilities in both Campbellford and at the Peterborough Airport. Peterborough is our base for flying, as we do not have an airport in Campbellford as of this time. We have both flying and static aircraft ranging from WWI to the current F5A jets still used today by our airforce. We also have a large collection of flight simulators and military equipment. We continue to add to the collection.

Mission and Vision

Our mission is to teach and transfer the history, technology and the flying technology of the Canadian military and aviation. We have completed the purchase of property and the two runways are now in full operation. It is our desire to build a second hangar building to house and facilitate more vintage aircraft.

Recent Success in Our Charitable Work:

Established March 23, 2004 – still collecting, restoring and setting up facilities.

*"We collect,
restore and fly
vintage warbird
aircraft."*

About Us

Charity was registered Jan. 1, 2005

Core Values and Vision

The Charity exists to provide funding for the medical treatment of local injured or sick animals which are either wild, or whose owners cannot afford to pay for the care that is required.

Recent Success in Our Charitable Work:

In the 10 years that we have existed we have raised \$30,000.00 locally. Of that money, \$27,500.00 (92%) has been used to, or is available to assist in the medical treatment of animals. The remaining \$2,500.00 (8%) has been used in direct fundraising efforts. All labour and overhead costs are provided at no cost by the directors.

"Funds raised assist in the medical treatment of animals."

Harold (Hank) Leith Willis Memorial Scholarship Fund

Friends and family have generously donated funds to establish the Harold (Hank) Leith Willis Memorial Scholarship Fund, in his memory.

Hank was always a strong believer in the value of education in all its diverse forms and believed that volunteerism and community involvement was both a privilege and a responsibility for all community members. His life was a living testament to this belief. Hank was a member of the Steering Committee for the establishment of the Campbellford/Seymour Community Foundation and served as its charter President for 2 years. He was also involved in the early planning for the Aron Theatre Cooperative and the proposed Multi-Use Recreational Facility for Campbellford.

Purpose

The award will be presented annually to a student graduating from Campbellford District High School who is pursuing post-secondary education. The successful candidate shall have two or more of the following criteria to be eligible for the scholarship:

- Demonstrate community involvement inside and outside the school community
- An A- or B+ grade average (not the highest mark)
- A volunteer in the community, a leader that gets involved on their own volition
- May enter into social services or education as a career

Joseph Rudolf Marth Memorial Scholarship Fund

Through memorial donations from Joe's family and friends, Martha Murphy, spouse of the Late Joseph Rudolf Marth, created the "Joseph Rudolf Marth Memorial Scholarship Fund" in loving memory and to honour our "Funny Guy" Joe (Joey).

Joe was a McMaster University graduate and a very successful Radio Personality under the name of Joey Martin. Joe was an accomplished Voice Actor under the name of the Human Cartoon, his specialty was animation and he enjoyed national and international successes. Joe will be remembered as sharing his wonderful GIFT of LAUGHTER with those he met.... thereby leaving our world a better place!

Purpose

This award will be presented annually to a student nominated by their peers and/or teachers, graduating from Campbellford District High School, and can be used for post-secondary education or an apprenticeship program. The student(s) nominated will demonstrate Joe's signature trait of making people laugh, have a huge amount of confidence, and include everyone in sharing the laughter. This student will have contributed to the overall "upbeat and positive atmosphere" of the school community.

The first \$500 scholarship was presented to a deserving student at the Campbellford District High School Graduation Ceremony in June 2016!

Vision

Achieving excellence in Catholic education through learning, leadership and service.

Preparing the Way

St. Mary Catholic Elementary School prepares the way for students in a caring, inclusive environment that models tolerance, sharing, forgiveness and respect.

Mission Statement

As a community grounded in the Catholic faith, St. Mary School seeks to inspire its students and encourage them to live according to the Gospel of Jesus Christ. Each child is an individual and all children need to succeed. We respect the individual needs of the whole child by fostering a caring, creative and challenging learning environment that is safe, orderly and supportive. We will strive to have our parents, teachers, and community members actively involved in our students' learning. Our students will learn how to ask questions, solve problems and make thoughtful decisions to become better thinkers and independent learners. We will strive for personal and academic excellence and foster positive relationships with students, in order to help each child reach his or her potential.

About Us

The Campbellford/Seymour community has a rich natural heritage. It is located within a unique natural ecosystem, characterized by picturesque landscapes, diverse biological species and energetic people. Numerous cultural, economic and recreational opportunities and experiences construct the solid foundation of this vibrant and growing community.

History

In response to community interest, the Community Foundation created an Environmental Endowment Fund. An environmental scan and strategic plan was created in 2008 to grow and employ this fund. The environmental scan includes two main elements: gathering data on the environment of Campbellford/ Seymour, and consulting the public on their environmental values and priority issues. The strategic plan took this input and developed a path for the foundation to grow the environmental fund and to begin giving grants that focus on environmental priorities. The Environmental Scan can be found on our website.

The Community Foundation has an Environmental Committee, which will provide advice, support, and leadership for this fund, and will seek to establish a network of partnerships with those who share concerns for our environment, with a goal of continuing to build a visionary natural legacy.

One of the first Environmental Committee projects was the creation of a community garden, cared for by volunteers, to provide fresh produce for the foodbank. The community garden idea grew in 2016, when a few of the Campbellford Incredible Edibles Festival Committee members took on the project, and expanded it to make it a garden for the whole community to access, with grant funding from the community foundation.

Purpose

The Campbellford/Seymour Community Foundation will provide grants from this fund, to local organizations for environmental projects that benefit our community. The initial gift and any further contributions to this fund will be held permanently in an investment portfolio, and a portion of the interest will be used for granting purposes.

*Donations and bequests can be made for the **Environment Endowment Fund** to support environmental stewardship and sustainable living in our community.*

About Us

The Crowe Valley Conservation Foundation (CVCF) is a registered environmental charity working to help protect and conserve the lands and waters of the Crowe Valley Conservation Authority's watershed. Established in 1994, the CVCF recognized a need to improve the human, economic and environmental health of the Crowe Valley region. Investing time, energy and means helps create a natural heritage legacy for future generations.

Core Values and Vision

The Foundation's mission is to support the goals and objectives of the Crowe Valley Conservation Authority (CVCA). By doing so, it helps establish opportunities for the public to invest in the environment allowing a continuous connection and interaction with Mother Nature. Hands on experiences foster a greater interest and understanding of wildlife and natural resources and the importance of protecting and conserving these features. Today's volunteers and contributors are the environmental stewards of tomorrow.

Recent Success in Our Charitable Work

The Crowe Bridge Conservation Area (CBCA) is located only minutes from the rural Eastern Ontario charm of Campbellford, Havelock, Marmora and Stirling, and is now operated by the Municipality of Trent Hills. This beautiful day park offers swimming and short nature walks. Extending over 22 acres along the Crowe River the CBCA can accommodate family gatherings, group picnics or birthday parties. The gentle rapids, crystal clear water and smooth limestone bottom of the Crowe River makes CBCA a unique setting for family swimming. There are shallow inlets for smaller children to safely play and a weir provides a deeper area for swimming. There is nothing quite as refreshing as the cascading falls of the Crowe River on a hot day. Take a leisurely stroll through the quiet surroundings, natural settings and scenic lookouts. Come and discover this area's best kept secrets. There is always plenty to do at the CBCA day park. Spending time outdoors with nature can provide many health benefits, recreational fitness and cultural and spiritual aspirations. There is a powerful connection between wellbeing and the natural world.

The CVCF, with your charitable support, will continue to broaden and preserve this connection by offering unique conservation lands where ecological functions of lands and waters remain a natural environmental feature to be experienced by all.

About Us

Lower Trent Conservation is a community-based environmental protection organization dedicated to protecting, restoring, and managing local natural resources.

Established by the provincial government and local municipalities in 1968 under the Conservation Authorities Act, Lower Trent Conservation is one of 36 Conservation Authorities in Ontario.

Lower Trent Conservation works in partnership with municipal, provincial and federal governments, businesses, community organizations, and landowners to deliver locally-based environmental programs. Our work contributes to building healthier communities, improving the quality of life for residents, making our area more appealing to visitors and new businesses, and helping to ensure a more vibrant regional economy.

Core Values and Vision

Our vision for the future is to be the local leader in conservation – working with others towards healthy watersheds for now and future generations. Lower Trent Conservation delivers conservation services to protect and manage our local environment on a watershed basis.

Environmental services include:

- Permits for construction activities adjacent to any waterway or wetland
- Advice & financial assistance for tree planting, shoreline naturalization and other land stewardship activities
- Water quality and quantity monitoring
- Outdoor recreation opportunities
- Management of conservation and natural areas
- Environmental education events and activities
- Flood forecasting & protection
- Volunteering

Recent Success in Our Charitable Work

- Management of approximately 1,500 hectares of natural open space which protect important natural features across the watershed and offer outdoor recreation opportunities to both residents & visitors to the area.
- Educating the students of today to be environmental stewards of tomorrow through youth environmental education programs including: the Quinte Children's Water Festival, a two-day festival in May which brings close to 1,000 Grades 3 – 5 students together to learn about our most precious natural resource – water; and Caring for our Watersheds, a contest geared to Grades 7 – 9 students that encourages youth to not only submit their ideas on how to solve a local environmental issue but also to implement their ideas.
- The Healthy Lands – Clean Water Program, launched in 2011, encourages landowners to manage their properties in an environmentally sustainable way. Through the program, technical advice and grant incentives are provided to assist landowners with stewardship projects including shoreline naturalization, livestock fencing and alternative water sources, and habitat creation.

About Us

The Friends of Ferris was formed in 1994 when the Ministry of Natural Resources decided to partner management of the Park with the Municipality of Trent Hills. Friends of Ferris received its charitable status in 1996. The Park is now solely operated by Ontario Parks.

Mission

To support, improve, protect and preserve the character of Ferris Park and to participate in activities for the betterment of said Park. To educate the public about the unique qualities of Ferris Park including the natural, geological, biological, cultural, historical, educational, and recreational features which should be preserved and protected for the use and enjoyment of this and future generations of the residents of Ontario.

Recent Success in Our Charitable Work

- Completed three sections of the wet areas walkways.
- Erected three trail head signs at the beginning of each trail system, and installed "You Are Here" markers throughout the trails
- Hold an annual Kite Day - open to all ages
- Completed 9 years of restoration of the Dry Stone Wall found in the Park
- Host annual Fungi Walk in the Fall
- Provides weekly guided walks during the open season of the park
- Funded with grant from CSCF an All-Terrain Wheelchair for visitor use
- Recently installed playground equipment much to the delight of young campers

About Us

We are a church located in the heart of River Country, overlooking the beautiful Trent River, offering a wide variety of fellowship times, services and programs for people of all ages.

The Campbellford Baptist church was founded in 1884 and for over 100 years met in the church building located at 67 Queen Street. In 1995, the congregation moved to its new location at 166 Grand Road.

We have children's programs, youth group meetings, adult bible studies and prayer times.

Recent Success in Our Charitable Work

Busy Bees - The Busy Bee's mission is to "help people".

Busy Bees was originally started in 1992 by the late Lillian Beryl Nicholas. Prior to Campbellford Baptist Church moving to its current location, Beryl Nicholas started a small fundraising bazaar for the purpose of raising monies to help pay the mortgage on the new church home. From that small start, Busy Bees has grown and flourished.

More than 30 members of the Busy Bees collect, sort and sell a wide range of donated items. Nothing is ever wasted. Clothes that cannot be sold, along with old blankets, go to the Humane Society. Donated scrap metal is sold to scrap yards and the proceeds are used for church mission projects.

Thanks to the generous donations of items from various communities, the Busy Bees' is enabled to donate these monies to organizations such as Canadian Baptists of Ontario and Quebec, McMaster Divinity College, missions both home and abroad, Campbellford Memorial Hospital, Philippine disaster, Alberta food disaster, and the Mully Children's Fund, to name a few.

Total donations as of October 2014 to Campbellford Memorial Hospital were \$80,000.00. Some of those raised funds went towards a mammography unit at the hospital, special wheeled cart for the hospital lab to carry equipment and supplies the technicians required for ECGs and blood work. In recognition of the Busy Bees' contributions to CMH, a special plaque in memory of the late Lillian Beryl Nicholas, Busy Bees' founder, has been placed on the donation wall at the Campbellford Memorial Hospital.

*"Acting in Faith
to build a loving community
and to show them a
hope everlasting."*

Core Values and Mission

St. John's United Church in Campbellford, Ontario, is a Christian Church that seeks to fulfill the mission of Jesus Christ, who we believe is the Messiah – the One who brings life, truth, and salvation to this world. We strive to accomplish this work of Christ through our motto noted above and we do this in many ways, but here are some examples:

Celebrate

We celebrate God's presence with us in Jesus Christ through worship on Sunday mornings but also through fellowship with one another. The ladies of the congregation have great fun and fellowship when they make pies with one another – you really should try their pies!

Care

We care for our community and the people of our community. We express this care through our annual Christmas Hamper program, and also through our monthly FREE community meals – we partner with the Salvation Army for both these events. Everyone is welcome to the community meals. Please join us the first Sunday of every month in our auditorium.

It starts just shortly after 12pm.

Learn

As long as we are on this earth, we never stop learning, but as a Christian Church we believe there is a special place to learn of God and His Son Jesus Christ. We learn of God in our own personal devotions. We also learn of God through the teaching provided in worship, the Sunday School, and our Wednesday noon Bible Study.

This is just a little bit about us, a family of Christians learning to live out our faith in the world. We would love to meet you. Come and introduce yourself personally or send us an email just to say "Hi."

May the Lord bless you on your journey around the Internet, but especially on your journey of life!

Celebrate, Care, Learn.

About Us

A Congregation of The United Church of Canada, Seymour United Church is a newly amalgamated congregation of the Stanwood, Hoards and Tabernacle churches. Since 2016, we have been worshipping together at our newly named Seymour United Church at 22 Hoards Church Road in Hoards Station at 10am each Sunday. We are a vibrant community of faith that loves to worship, work and play together! We offer catering services for Seniors Diners twice a month, along with lunch at the Sale Barn several times a year. We support the local food bank and participate in a variety of outreach projects for communities both near and far throughout the year. We strive to live out our mission statement with joy and love for all.

Mission

We strive to be a welcoming rural community of faith, fellowship and friendship, growing in Christina love and understanding as we worship and work together. Rooted in God's love, we will live out our faith by sharing and caring for our neighbours and all creation.

***"Living our Faith,
Sharing God's Love"***

About Us

Founded in 1836 and church built in 1883.

Who Are We?

Disciples of Christ
Empowered by the spirit
Glorifying God and
Rejoicing in Service!

Who De We Do?

Relying on the power of the Holy Spirit, we proclaim the love and good news of Jesus Christ through our words and actions.

As a reformed church, we rely on the truth and inspiration of Scriptures for God's guidance into the future – a future that we approach with wonder and anticipation, knowing God is with us.

As worshipping communities joyfully celebrating the sacraments, we are supported, strengthened and equipped to share the love of God revealed in Jesus Christ.

Core Values and Vision

St. Andrew's Campbellford seeks to worship God, Father, Son and Holy Spirit and adheres to the teaching of the Apostles' Creed and seeks to witness to the love of God in Jesus Christ.

*"We proclaim
the love and good news
of Jesus Christ through
our words and actions."*

About Us

The Campbellford Memorial Hospital in 1943, was a fledgling institution meeting a great need in the community. At this time a group of ten dedicated and caring women saw and met the need of volunteerism within the Hospital. They banded together, and so the Hospital Auxiliary came into being. Since 1943 membership has grown to over 140, including a ratio of male members. The Auxiliary is a member of HAAO, Hospital Auxiliaries Association of Ontario, Region 7.

Mandate

Our mandate is to raise funds to provide patient care related equipment. The Auxiliary has raised over \$1,645,000 since its inception. Each year we set a goal as requested by the Hospital, and each year we have met or exceeded that goal.

Recent Success in Our Charitable Work

Annually the Auxiliary utilizes many events and activities to raise the required monies. The Auxiliary also operates a very successful Hospital Gift Shop. All funds are given to the Campbellford Memorial Hospital Foundation in order that the Hospital may obtain up-to-date equipment for patient care.

About Us

Campbellford Memorial Hospital (CMH) is a 34-bed health care facility located in Trent Hills. It serves approximately 30,000 Northumberland, Peterborough and Hastings County residents, as well as a large seasonal population of cottagers and tourists enjoying the beautiful Kawartha Lakes Region and the Trent River System.

As the only hospital located between Belleville and Peterborough, Ontario, CMH provides a comprehensive array of acute care services. The Hospital's 24-hour Emergency Department has approximately 20,000 visits each year.

To ensure comprehensive, coordinated, patient and family-centred care that meets local needs, the Campbellford Memorial Hospital's community health care campus partners include:

- Trent Hills Family Health Team
- Campbellford Memorial Health Centre
- Campbellford Memorial Multicare Lodge
- Campbellford and District Community Mental Health Centre
- as well as other area hospitals and community agencies.

About Us

The Campbellford Memorial Hospital (CMH) Foundation is an officially registered charity with the Canadian Revenue Agency, incorporated on December 4, 1985. The mission of the Foundation is to serve primarily the needs of the Campbellford Memorial Hospital and may also include programs and/or capital needs for the following community health care partners: The Community Mental Health Centre, the Campbellford Memorial Multicare Lodge, the Trent Hills Family Health Team and the Campbellford Memorial Health Centre. While funds are provided by the provincial government to operate a hospital, the acquisition of capital (medical/patient care) equipment is the responsibility of the community.

The capital equipment/programs funded through the CMH Foundation supports Emergency Department care, Diagnostics, Surgical Services, Laboratory Services, Palliative Care, Nursing Professional Development and other priorities identified through the Master Plan process and in consultation with the CMH Board, CMH CEO & President and Senior Management Team.

Philanthropic Support

The CMH Foundation follows all due diligence in performing our responsibilities for generating philanthropic support. We are guided by the Association of Fundraising Professionals (AFP) Code of Ethical Principles and Standards, including the "Donors Bill of Rights".

The CMH Foundation seeks gifts from individuals, corporations, foundations and any other group or agency capable of making donations.

The CMH Foundation follows the appropriate CRA guidelines to accept gifts of cash, securities, property, and various forms of estate gifts; where appropriate the Foundation will issue official charitable tax receipts.

The CMH Foundation ensures all donations are used in compliance with the wishes of the donor, respecting confidentiality and giving appropriate acknowledgement and recognition.

Accountability

The CMH Foundation believes in accountability to our donors. To view our most recent Audited Financial Statements and the Donors Bill of Rights please visit our website at www.givetocmh.ca.

About Us

Established in 1988, Community Care Northumberland strives to be the best, multi-service, volunteer-based community support organization in Northumberland County. Their over 850 regional volunteers enable clients to experience a higher quality of life by strengthening their connections with the community. They along with our professional staff accomplish this through the delivery of the following essential community support services:

- Community Diners
- Friendly Visiting
- Home at Last
- Home Help and Maintenance Programs
- Hospice Palliative Care Programs
- Meals on Wheels Programs (except in Port Hope)
- Supports for Caregivers
- Telephone Security Checks
- Transportation Services: Volunteer Driving and Specialized Transportation (Accessible & Rural)
- Wellness, Social and Recreational Programs for Seniors

Recent Success in Our Charitable Work

Community Care Northumberland provides the following services within Northumberland County:

- 850 volunteers giving over 90,000 hours of service to their communities
- 21,000 hot and frozen meals, delivered to client's homes
- Over 25,000 phone calls and visits were made to isolated seniors ensuring their safety
- 412 clients with enhanced services can safely return to their homes from the hospital
- 10,000 Community Diners were served to clients improving their nutrition and connecting them with others
- Hospice volunteers who logged over 3,600 hours to support 374 clients, their families and friends
- 1,350 blood pressure readings were taken to help decrease the risk of heart disease and stroke
- Over 1,000,000 kms logged by our volunteer drivers taking clients to their medical appointments
- A fleet of 6 vans (4 are wheelchair accessible) which logged over 10,000 one way rides

For more information visit: www.commcare.ca.

Donations are accepted at all local Community Care Northumberland offices.

To make a donation on-line, donate through their Canada Helps account: <https://www.canadahelps.org/en/charities/community-care-northumberland/>

Community Care Northumberland operates six offices:

- Brighton
- Colborne
- Hastings
- Campbellford
- Cobourg
- Port Hope

50% of their funding comes primarily from the Local Health Integration Network (LHIN). The balance is made through fundraising efforts and program fees.

About Us

In 1999 The Ministry of Citizenship, Culture and Recreation established a "Matching Funds" program to create permanent endowments for the benefit of Children and Youth in community recreation. In 2001 the Campbellford/Seymour Community Foundation set aside \$50,000.00 of its newly acquired funds to be used for this program. The Ministry of Citizenship, Culture and Recreation then provided a grant of \$46,471.95.

Recreation

Purpose

The Ontario Endowment for Children & Youth in Recreation Fund was created by the Campbellford/Seymour Community Foundation to provide grants to local organizations for recreational projects and programs for children and youth in the Campbellford/ Seymour community. Since 2003 over \$49,000 in grants have been awarded from this fund from the interest generated - invested back into our community - while the principal amount is held in perpetuity.

Please visit our website to see the many projects supported by grants from this fund.

About Us

The Recreation Redevelopment initiative is one focus of Flourish ~ The Trent Hills Wellness Campaign. The Campbellford/Seymour Community Foundation partnered with the Campbellford Memorial Hospital Foundation and the Municipality of Trent Hills on an exciting joint campaign to ensure that all Trent Hills residents have access to the highest quality of life, health and well-being. Three initiatives - better recreational and leisure facilities, quality health care close to home, and sustainable community development - will contribute to ensuring a healthy and vibrant community.

Purpose

It is essential for progressive communities to develop, provide and maintain adequate recreational resources and facilities. The Municipality of Trent Hills is aware that as our community changes and grows, so do the demands for a wider variety of recreational facilities and services that appeal to everyone in the community.

Recognizing changing demographics, future needs, and after years of discussion regarding a new multi-purpose recreational facility, the Municipality of Trent Hills is now planning to construct a Community Recreation and Wellness Centre in Campbellford. Plans also include an accessible addition to the Warkworth arena, and the first new recreation facility in this initiative, the Hastings Field House, opened in August 2015. Multi-purpose community centres, offering a variety of recreational services and programs, have been an important facet of communities for decades. These centres provide the facilities that people need to fully participate in healthy social activities, recognizing that high quality sports and recreational facilities help to enhance our everyday lives and contribute to personal growth.

*Donations
and bequests can be
made for the **Municipality
of Trent Hills Recreation
Redevelopment Initiative** to
support the improvement
of recreation and
leisure facilities in
Trent Hills.*

Donate

The Community Foundation is accepting donations to the Recreation Re-development initiative on behalf of the Municipality of Trent Hills. Donors can designate their gift to any one, two or all three of the projects in this initiative:

- Hastings Campus - The Hastings Field House opened August 2015
- Warkworth Campus - An accessible addition to the Warkworth Arena
- Campbellford Campus - Wellness and Recreation Centre

Hastings Field House

The Field House in Hastings is an air supported dome, with an indoor turf field, a walking track, and a hard surface court. The turf field is not only used for indoor soccer, football, and softball, but can also be set up as an indoor golf driving range. The hard surface court is used for tennis, pickleball, badminton, basketball, and ball hockey. The facility is also used for meetings, workshops and events. A Cardiac Care Clinic operates out of the facility, and fitness groups hold classes there as well. Something for everyone!

Wellness and Recreation Centre in Campbellford

The Wellness and Recreation Centre in Campbellford will be a facility that provides a broad range of services – an aquatic facility with a lane pool and a therapeutic pool, a new arena, and meeting rooms with a kitchenette. The pool will serve all kinds of recreation needs, such as swimming lessons, aqua-fit programs, therapy programs, lane swimming and competitive swimming. The benefits of combining an aquatic facility with an arena include recovering waste heat from ice rink operations as a method of pool heating, making the facility more energy efficient.

Warkworth Arena

The addition to the Warkworth Arena will contain additional dressing rooms, multi-purpose rooms and a kitchen, providing the Warkworth community with a fully accessible facility for community use.

About Us

The club originated in 1980. Before that curling took place on the arena ice. A group of volunteers and generous families got together and planned the building that is now known as The Campbellford & District Curling & Racquet Club. In 1986 an extension was added to the building, adding another squash court, a workout room and a locker room. Since then, the club has been run by an executive board supported by many member volunteers. The club has four sheets of curling ice, two squash courts, a weight room and a cardio room. It has saunas and a steam room as well.

Mission Statement

To provide a clean, user-friendly and safe facility that will contribute to the physical fitness, recreational and other community needs for residents of Campbellford and surrounding area.

Recent Success in Our Charitable Work

- We provide free membership to medical doctors on temporary assignment as part of their internship in the practice of family medicine. We hope to encourage some of the doctors to set up a practice in our area.
- A bonspiel to support community food and toy drives is held each year before Christmas.
- Schools are welcome to use the facilities for free as part of their Physical Education programs. Several classes a year come from Campbellford High School and one of the local elementary schools comes for a six-part curling instruction session each fall. The club provides volunteers or paid instructors to the schools.
- The Lions Club holds a fund raising bonspiel each year at the club.
- The Campbellford-Seymour Agricultural Society have the free use of the clubs facilities for twelve days each year for the Annual Fair, Chicken Barbecue and other events.

*Fundraising
and volunteer work
continue to provide the
extra funds that are
needed to upgrade the
facility and keep
the equipment in
good condition.*

About Us

The Alzheimer Society of Peterborough, Kawartha Lakes, Northumberland and Haliburton provides service throughout all four counties including the communities of Peterborough, Kawartha Lakes, Lindsay, Haliburton, Minden, Cobourg, Port Hope, Campbellford, Havelock and Millbrook.

It is estimated that more than 7,500 people in our catchment area have Alzheimer's disease or some other form of dementia. This number is expected to grow to more than 15,500 by the year 2036.

The Alzheimer Society of Peterborough, Kawartha Lakes, Northumberland and Haliburton provides supportive services at no charge to families and individuals affected by Alzheimer's disease and other dementias.

The Society also provides a range of public education services within the communities that we serve, as well as educational opportunities to those living with dementia and those supporting persons with dementia including family members, caregivers, and professionals.

The Alzheimer Society of Peterborough, Kawartha Lakes, Northumberland and Haliburton graciously acknowledges funding received from the Central East LHIN, and from the kindness and generosity of public and corporate donations in order to continue to provide these important programs and services at no cost to our clients.

Vision

To be a leader in the Alzheimer Movement and recognized by our community as an essential provider of dementia-related services and support.

Mission

The Alzheimer Society of Peterborough, Kawartha Lakes, Northumberland and Haliburton is a person-centered agency dedicated to advocating for and improving the quality of life for those affected by Alzheimer's disease and other dementias throughout their journey.

About Us

The Red Cross Society has been in operation for more than 100 years throughout the world, and the Canadian Red Cross celebrated its 100th anniversary in 2009. While initially focused on assisting those affected by war, the Red Cross has grown in size to provide a wide portfolio of programs and services for the Northumberland communities that include, but are not limited to:

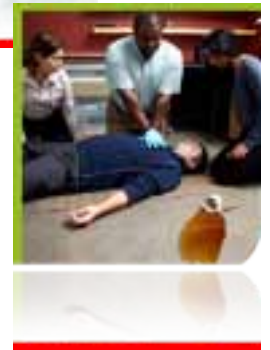

- disaster services
- humanitarian issues
- school programs
 - bullying, racism, environmental ethics, personal respect
- Respect - abuse prevention education
- healthcare equipment loan program
- fire recovery program
- meals on wheels program (Port Hope only)
- youth program
- first aid and CPR training (through training partners)

Our Mission To improve the lives of vulnerable people by mobilizing the power of humanity in Canada and around the world.

Our Vision The Canadian Red Cross is the leading humanitarian organization through which people voluntarily demonstrate their caring for others in need.

CANADIAN RED CROSS

Recent Success in Our Charitable Work

Over the past several years, several programs have been implemented in the Northumberland County area. Our Fire Recovery Program is now available to assist those who have been displaced by home fires, providing these clients with the basics of food, shelter and clothing for the first 72 hours.

Our Humanitarian Issues Program has been introduced in area schools, providing interactive sessions for many school grades that help students gain a better knowledge of, and learn how to take action to improve, such topics as bullying, racism and mutual respect.

Vision

Every child in Canada who needs a mentor, has a mentor.

Mission

We commit to Canada's young people that we will be leaders in providing them with the highest quality, volunteer based mentoring programs

Structure

Big Brothers Big Sisters of Canada is a Federation comprised of 108 member agencies servicing more than 1,100 communities across the country.

Issue

Many children and youth in Canada struggle with societal barriers and face adversities in their lives.

Impact

Facing prolonged adversity creates toxic stress in the brain that can negatively impact development.

Solution

With the support of a mentor, these risks can be reduced or even avoided, and youth can reach their full potential.

Our Solution

Many children and youth in Canada struggle with societal barriers and face adversities in their lives like detrimental living conditions, family violence, risk factors for mental health, school issues and identity challenges.

These circumstances have nothing to do with the value of who they are or who they can become, but because of these situations, children and youth risk not having the opportunity to live up to their full potential.

Even worse is the possibility of continuing cycles of poverty and crime or developing mental health issues.

This comes at a cost to the young person, and to society. With the guidance and support of a mentor, these risks can be reduced or even avoided, and youth are reminded they can be anything they dream of being.

Each Big Brother Big Sister agency provides direct service to children by matching volunteers and youths in quality mentoring relationships. Our agency staff members are experts at screening volunteers and matching them with a mentee having similar interests.

*"Imagine
who they
will become,
because
of you!"*

About Us

Origins of the Northumberland United Way date back to 1966 when a group of local businessmen, with the assistance of the Chamber of Commerce, started investigating the possibilities of establishing a United Appeal in Cobourg. The premise of the United Appeal was to bring all local charities under one umbrella and hold an annual volunteer-based fundraising drive in the fall. The monies collected would then be allocated to the charities involved per their request.

The first United Appeal campaign was launched in the fall of 1969 and was aimed at raising funds for six local charities. Of these original six agencies (C.N.I.B., The Arthritis Society, Canadian Red Cross, Cobourg & District Scouts, Cobourg YMCA, and St. John Ambulance) three are still funded by the United Way today. The number of agencies funded by the organization has grown from 6 to eleven.

Mission

To create a better life for everyone in Northumberland through leadership and partnerships that mobilize community resources.

Vision

We are an organization that benefits the lives of individuals and families in Northumberland County.

To achieve this:

- We focus on key community priorities
- We support the programs that create a positive impact
- We partner to make our community stronger
- We honour the values of all of our donors, volunteers and staff

Helping Your Community Grow

We all love the place we call home, but there are big issues here. People live in poverty, struggling to make ends meet. Children and youth are in search of guidance while facing the challenges of growing up. Adults are out of work and in need of transportation, training, and mentorship that open doors to building sustainable futures. Seniors feel isolated and need help staying healthy and active.

A donation to United Way is felt countywide; every dollar goes towards improving lives locally. United Way is a community partner and an organization taking strides to improve the quality of life in Northumberland County.

In a single year a fundraising achievement of \$1,008,416 improved 22,000 lives. This number is staggering and gives hope to so many. We believe if we work together, we can change the course of additional lives by raising over one million dollars. Donations help improve 1 in 4 lives. Join United Way as a funder, and you also become an educator, researcher, and partner for people who need our support.

About Us

YMCA Northumberland is a charitable organization led by staff and volunteers who are dedicated to serving others, and to promoting growth of spirit, mind and body in all people.

We want you to be a member regardless of your economic circumstances. We want our community, friends, staff and volunteers to join together to support our YMCA Strong Kids Campaign, which assists those people who are unable to pay for membership.

Our Vision

Health and growth for life...YMCA for all

Our Mission

YMCA Northumberland is dedicated to the growth of all persons in spirit, mind and body, and fostering a sense of responsibility to each other and the global community. We are committed to strengthening the foundations of community; nurturing the potential of children, teens and adults; promoting healthy living; fostering a sense of social responsibility; and delivering lasting social and personal change

Our Local YMCA Values

- Honesty
- Responsibility
- Caring
- Health
- Respect
- Citizenship

Our National YMCA Values

- Collaboration
- Proactivity
- Accountability
- Sustainability
- Inclusivity

How is the YMCA different?

- We're a trusted charity dedicated to improving the health of our communities.
- We tailor our programs, services and facilities to meet local needs.
- We welcome newcomers, embrace diversity and encourage community participation.

"We are dedicated to serving others, and to promoting growth of spirit, mind and body in all people."

CAMPBELLFORD/SEYMOUR
COMMUNITY FOUNDATION

Growing Our Community

www.cscf.ca

Type of Gift	Benefits to Charitable Organizations	Benefits to the Donor	Gift Examples	Most Appropriate For
Gift of Cash	Available for immediate use Liquid No risk	Donation receipt for full amount Straightforward transactions Satisfaction of seeing gift at work today	Cash Cheque Credit Card Pre-Authorized Contributions (PAC), usually paid monthly	Everyone (any age) who can afford to give up some principal and the interest it would otherwise earn
A Gift of Publicly Listed Securities	Immediate Use Liquid Little risk Generally simple and low cost to implement	Donation receipt for fair market value No capital gains tax Satisfaction of seeing gift at work today	Stocks Bonds Mutual Fund Units Employee Stock Option Shares	Owners (any age) of stocks, bonds and other securities who can afford to give the asset and the interest or dividends it earns
Life Insurance Policy	Immediate access to cash value, assurance of death proceeds if policy retained (Term policies are often not retained as donor gets older)	Donation receipt for cash value and any future premiums paid Small current outlay leveraged into larger future gift	A permanent policy (whole life or universal) Term policy	Persons who i) have an older policy no longer needed, or ii) want to make a large gift but have limited resources
Life Insurance	Will receive death proceeds unless donor changes beneficiary designation	Satisfaction of providing a future gift while retaining full control of policy Donation receipt to estate for full value of death proceeds	Any type of life insurance policy	Persons (any age) whose personal needs and family situation may be subject to change
Bequest of Retirement Plan Accumulations	Future gift provided beneficiary designation(s) and/ or bequest wording are not changed	Satisfaction of providing a possible future gift while preserving personal security Gift receipt that offsets tax on distribution of retirement funds	Registered Retirement Savings Plan (RRSP) and Registered Retirement Income Fund (RRIF) accumulations	All individuals, but especially single persons, and surviving spouses who have made other provisions for heirs

Type of Gift	Benefits to Charitable Organizations	Benefits to the Donor	Gift Examples	Most Appropriate For
Bequest by Will	Expectancy of future gift provided that bequest wording is not changed	Satisfaction of providing for future gift while retaining full control of property Donation receipt for use with final income tax return For bequest of listed securities, for most other property 50% of capital gain will be taxable but can be offset by tax credit from gift, likely resulting in tax savings to estate.	Cash, securities, real estate, tangible personal property	All individuals (any age), but especially older persons with few or no heirs
Shares in a Privately- Owned Corporation	Share may pay dividends Charity may be able to sell shares in near term, or may hold them for an indefinite period	Public charity – Donation receipt for appraised market value at time of gift, issued immediately (if gift to public charity) Private Foundation – Donation receipt issued only when foundation sells shares. Receipt value is the lesser of amount realized by foundation and the fair market value at time of gift. 50% of capital gain taxable, offset by tax credit from donation receipt	Shares held in privately-owned corporation	Entrepreneurs who are philanthropic Venture philanthropists

Type of Gift	Benefits to Charitable Organizations	Benefits to the Donor	Gift Examples	Most Appropriate For
Gift of Real Estate	Proceeds available as soon as property is sold Sometimes property itself can be retained and used Valuation and ongoing maintenance considerations can add complexity to gift administration	Donation receipt for fair market value (FMV) determined by appraisal (independently obtained by charity) 50% of gain taxable, (unless property is donor's primary residence, in which case no taxable capital gain), offset by tax credit from donation receipt	Real estate including principal residence, vacation properties, and investment properties.	Owners (generally over 50) of a principal residence or investment property who do not need the property or the proceeds from its sale
Gifts of Tangible Personal Property (other than cultural property)	Can be retained or sold and proceeds used for current needs *Decisions to retain assets warrant careful consideration, in light of implications for valuation and usefulness for charitable purposes, and ability to issue donation receipt	Donation receipt (if applicable*) for fair market value determined by appraisal 50% of gain taxable, offset by tax credit from donation Satisfaction of seeing gift at work now or in near term	Artworks, furniture, equipment, collections, automobiles, musical instruments	Owners (generally over age 50) of objects which they no longer intend to use
Charitable Remainder Trust (CRT)	Irrevocable future gift of remaining trust assets While often complex to administer, can be a highly effective gift planning instrument in selected circumstances Trust cannot allow encroachment of capital or guaranteed income	Net income from property for life or a term of year May result in donation receipt for present value of the remainder interest issued at time trust established Property not subject to probate	Cash, securities, real estate	Persons (generally over age 60) who want to make a future gift and obtain present tax relief but want to preserve investment income for themselves and/ or a survivor

Type of Gift	Benefits to Charitable Organizations	Benefits to the Donor	Gift Examples	Most Appropriate For
Gift of Residual Interest in real estate or artworks	Irrevocable future gift of property	Ability to continue using property for life or term of years Donation receipt for present value of residual interest issued at time of gift Avoidance of tax of a portion of capital gain if donor retains life interest Property not subject to probate	Principal residence, other real estate, artworks	Persons (generally over age 60) who otherwise would give the property under their will
Outright Gift of Certified Cultural Property	Immediately added to collection and available for display or exhibition	Donation receipt for fair market value determined by appraisal 100% contribution limit. No tax on capital gain Satisfaction of preserving property of national significance	Artworks, collections, artifacts or historic structures certified by Cultural Property Review Board (CPRB)	Owners (generally over age 50) of cultural treasures who would like to preserve the property within Canada
Interest-free Loan (normally payable on demand)	Provides capital for building or investment without interest cost Public Foundations (like community foundations) not currently eligible for these gifts due to debt restrictions under the <i>Income Tax Act</i>	Principal is recoverable Interest earned on loaned funds not taxable to donor Satisfaction of helping charity today	Cash and cash equivalents	Persons (any age) who have more than enough current income but want to preserve all principal for their own future security and/or heirs
Charitable Gift Annuity (self-insured)	Irrevocable gift of whatever principal remains after making required payments	Guaranteed life payments, all or substantially tax-free A donation receipt for a portion of contribution	Cash or marketable securities	Oldest donors (usually 65 and older) who want the security of guaranteed income payment
Charitable Gift Annuity (reinsured)	Irrevocable gift of that portion of the contribution retained after purchasing commercial annuity		Cash or marketable securities	Oldest donors (usually 65 and older) who want the security of guaranteed income payments

* Note: Only charities designated as charitable organizations (i.e. not public or private foundations) and authorized under provincial law, may currently issue gift annuities. Source: Minton & Somers, Planned Giving for Canadians, Third Edition (Adapted and revised)
